Re: Requested Adoption Under Section 252(i) of the Communications Act

Dear Mr. Rigas:

Verizon Pennsylvania Inc. ("Verizon"), a Pennsylvania corporation, with principal place of business at 1717 Arch Street, Philadelphia, PA 19103, has received correspondence stating that Zito Media Voice, LLC ("ZMV"), a Delaware limited liability company, with principal place of business at 611 Vader Hill Rd., Coudersport, Pennsylvania 16915 wishes, pursuant to Section 252(i) of the Communications Act, to adopt the terms of the Interconnection Agreement between Digizip International, Inc. ("Digizip") and Verizon that was approved by the Pennsylvania Public Utility Commission (the "Commission") as an effective agreement in the Commonwealth of Pennsylvania, as such agreement exists on the date hereof after giving effect to operation of law (the "Terms"). I understand ZMV has a copy of the Terms. Please note the following with respect to ZMV's adoption of the Terms.

1. By ZMV's countersignature on this letter, ZMV hereby represents and agrees to the following seven points:
 - A. ZMV adopts (and agrees to be bound by) the Terms and, in applying the Terms, agrees that ZMV shall be substituted in place of Digizip International, Inc. and Digizip in the Terms wherever appropriate.
 - B. For the avoidance of any doubt, adoption of the Terms does not include adoption of any provision imposing an unbundling obligation on Verizon (i) that no longer applies to Verizon under the Report and Order and Order on Remand (FCC 03-36) released by the Federal Communications Commission ("FCC") on August 21,

2003 in CC Docket Nos. 01-338, 96-98, 98-147 ("Triennial Review Order"), or the Order on Remand in WC Docket No. 04-313 and CC Docket No. 01-338, released by the FCC on February 4, 2005 (the "TRO Remand Order"), or (ii) that is otherwise not required by 47 U.S.C. Section 251(c)(3) or by 47 C.F.R. Part 51.

- C. Notice to ZMV and Verizon as may be required or permitted under the Terms shall be provided as follows:

- D. ZMV represents and warrants that it is a certified provider of local telecommunications service in the Commonwealth of Pennsylvania, and that its adoption of the Terms will cover services in Verizon Pennsylvania's service territory in the Commonwealth of Pennsylvania only.
- E. In the event an interconnection agreement between Verizon and ZMV is currently in effect in the former Bell Atlantic service territory within the Commonwealth of Pennsylvania (the "Original ICA"), this adoption shall be an amendment and restatement of the operating terms and conditions of the Original ICA, and shall replace in their entirety the terms of the Original ICA. This adoption is not intended to be, nor shall it be construed to create, a novation or accord and satisfaction with respect to the Original ICA. Any outstanding payment obligations of the parties that were incurred but not fully performed under the Original ICA shall constitute payment obligations of the parties under this adoption.
- F. Verizon's standard pricing schedule for interconnection agreements in the Commonwealth of Pennsylvania (as such schedule may be amended from time to time) (attached as Appendix A hereto) shall apply to ZMV's adoption of the Terms. ZMV should note that the aforementioned pricing schedule may contain

rates for certain services the terms for which are not included in the Terms or that are otherwise not part of this adoption, and may include phrases or wording not identical to those utilized in the Terms. In an effort to expedite the adoption process, Verizon has not deleted such rates from the pricing schedule or attempted to customize the wording in the pricing schedule to match the Terms. However, the inclusion of such rates in no way obligates Verizon to provide the subject services and in no way waives Verizon's rights, and the use of different wording or phrasing in the pricing schedule does not alter the obligations and rights set forth in the Terms.

- G. ZMV's adoption of the Terms shall become effective on October 17, 2011. Verizon shall file this adoption letter with the Commission promptly upon receipt of an original of this letter countersigned by ZMV as to the points set out in Paragraph One hereof. The term and termination provisions of the Terms shall govern ZMV's adoption of the Terms. The adoption of the Terms is currently scheduled to expire on June 30, 2013.
2. As the Terms are being adopted by ZMV pursuant to Section 252(j) of the Act, Verizon does not provide the Terms to you as either a voluntary or negotiated agreement. The filing and performance by Verizon of the Terms does not in any way constitute a waiver by Verizon of any position as to the Terms or a portion thereof, nor does it constitute a waiver by Verizon of all rights and remedies it may have to seek review of the Terms, or to seek review in any way of any provisions included in the Terms as a result of ZMV's adoption of the Terms.
 3. Nothing herein shall be construed as or is intended to be a concession or admission by Verizon that any provision in the Terms complies with the rights and duties imposed by the Act, the decisions of the FCC and the Commission, the decisions of the courts, or other law, and Verizon expressly reserves its full right to assert and pursue claims arising from or related to the Terms.
 4. Verizon reserves the right to deny ZMV's application of the Terms, in whole or in part, at any time:
 - A. when the costs of providing the Terms to ZMV are greater than the costs of providing them to Digizip;
 - B. if the provision of the Terms to ZMV is not technically feasible; and/or
 - C. to the extent that Verizon otherwise is not required to make the Terms available to ZMV under applicable law.
 5. For the avoidance of any doubt, please note that adoption of the Terms will not result in reciprocal compensation payments for Internet traffic. Verizon has always taken the position that reciprocal compensation was not due to be paid for Internet traffic under section 251(b)(5) of the Act. Verizon's position that reciprocal compensation is not to be paid for Internet traffic was confirmed by the FCC in the Order on Remand and Report and Order adopted on April 18, 2001 and in the Order on Remand and Report and Order and Further Notice of Proposed Rulemaking, CC Docket No. 99-68, (adopted November 5, 2008) ("*FCC Internet Orders*"), which held that Internet traffic constitutes "information access" outside the scope of the reciprocal compensation obligations set forth in section 251(b)(5) of the Act.¹ Accordingly, any compensation to be paid for Internet traffic will be

¹Order on Remand and Report and Order, In the Matters of: Implementation of the Local Competition Provisions in the Telecommunications Act of 1996 and Intercarrier Compensation for ISP-Bound Traffic, CC Docket No. 99-68 (rel. April 27,

handled pursuant to the terms of the *FCC Internet Orders*, not pursuant to adoption of the Terms.² Moreover, in light of the *FCC Internet Orders*, even if the Terms include provisions invoking an intercarrier compensation mechanism for Internet traffic, any reasonable amount of time permitted for adopting such provisions has expired under the FCC's rules implementing section 252(i) of the Act.³ In fact, the *FCC Internet Orders* made clear that carriers may not adopt provisions of an existing interconnection agreement to the extent that such provisions provide compensation for Internet traffic.⁴

6. Should ZMV attempt to apply the Terms in a manner that conflicts with Paragraphs Two through Paragraphs Five above, Verizon reserves its rights to seek appropriate legal and/or equitable relief.

7. In the event that a voluntary or involuntary petition has been or is in the future filed against ZMV under bankruptcy or insolvency laws, or any law relating to the relief of debtors, readjustment of indebtedness, debtor reorganization or composition or extension of debt (any such proceeding, an "Insolvency Proceeding"), then: (A) all rights of Verizon under such laws, including, without limitation, all rights of Verizon under 11 U.S.C. § 366, shall be preserved, and ZMV's adoption of the Terms shall in no way impair such rights of Verizon; and (B) all rights of ZMV resulting from ZMV's adoption of the Terms shall be subject to and modified by any Stipulations and Orders entered in the Insolvency Proceeding, including, without limitation, any Stipulation or Order providing adequate assurance of payment to Verizon pursuant to 11 U.S.C. § 366.

2001) ("*FCC Remand Order*") ¶44, *remanded, WorldCom, Inc. v. FCC*, No. 01-1218 (D.C. Cir. May 3, 2002). Although the D.C. Circuit remanded the *FCC Remand Order* to permit the FCC to clarify its reasoning, it left the order in place as governing federal law. See *WorldCom, Inc. v. FCC*, No. 01-1218, slip op. at 5 (D.C. Cir. May 3, 2002).

This Amendment No. 1 (this "Amendment") shall be deemed effective on January 23, 2012 (the "Amendment Effective Date"), by and between Verizon Pennsylvania Inc. ("Verizon"), a Pennsylvania corporation with offices at 1717 Arch Street, Philadelphia, PA 19103 and Zito Media Voice, LLC ("ZMV"), a Delaware limited liability company with offices at 611 Vader Hill Rd., Coudersport, Pennsylvania 16915. (Verizon and ZMV may be hereinafter referred to individually as a "Party" and, collectively, as the "Parties"). This Amendment only covers the services addressed herein that Verizon provides in its operating territory in the Commonwealth of Pennsylvania (the "State").

WITNESSETH:

WHEREAS, pursuant to an adoption letter dated November 15, 2011 (the "Adoption Letter"), ZMV adopted in the Commonwealth of Pennsylvania, the terms of the interconnection agreement between Digizip International, Inc. and Verizon that was approved by the Pennsylvania Public Utility Commission (such Adoption Letter and underlying adopted interconnection agreement referred to herein, together with any amendment(s) thereto, collectively being the "Agreement"); and

WHEREAS, on April 18, 2001, in the Order on Remand and Report and Order, *In the Matter of Implementation of the Local Competition Provisions in the Telecommunications Act of 1996, Intercarrier Compensation for ISP-Bound Traffic*, FCC 01-131, CC Docket Nos. 96-98 and 99-68, 16 FCC Rcd 9151 ("Order"), the Federal Communications Commission affirmed its prior determination that Internet traffic is not subject to Reciprocal Compensation under Section 251(b)(5) of the Act, but exercised its authority under Section 201 of the Act to establish a transitional plan for intercarrier compensation for Internet traffic that is not V/FX Traffic; and

WHEREAS, in accordance with the Order, Verizon has elected to offer an optional Reciprocal Compensation rate plan for traffic subject to Section 251(b)(5) of the Act, under which such traffic exchanged between Verizon and a local exchange carrier or CMRS provider in Verizon's service territory in a given state will be subject to compensation at the same rate applicable to intercarrier compensation for Internet traffic (that is not V/FX Traffic) in Verizon's service territory in that state under the terms of the Order; and

WHEREAS, ZMV has requested that the Parties amend the Agreement to address the matters set forth herein;

NOW, THEREFORE, in consideration of the mutual promises contained herein, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Amendment to Agreement. The Agreement is amended to incorporate the terms and conditions set forth in this Amendment, all of which shall apply to and be a part of the Agreement (hereinafter referred to as the "Amended Agreement") notwithstanding any other term or condition of the Amended Agreement, a Tariff or a Verizon Statement of Generally Available Terms and Conditions ("SGAT").

 - 1.1.1 The Reciprocal Compensation Rate that shall apply pursuant to Section 251(b)(5) of the Act and Section 7 of the Interconnection Attachment of the Agreement for the transport and termination of Reciprocal Compensation Traffic shall be the Reciprocal Compensation Rate set out in Exhibit A to this Amendment.
 - 1.1.2 [Intentionally Left Blank].
 - 1.1.3 The Reciprocal Compensation Rate provided for in Section 1.1.1 above shall replace and apply in lieu of the Reciprocal Compensation Rate for the transport and termination of Reciprocal Compensation Traffic set out in the Agreement (including, but not limited to, the Reciprocal Compensation Rate set out in Appendix A, Section A-1, "Reciprocal Compensation Traffic Termination").
 - 1.1.4 The Reciprocal Compensation Rate provided for in Section 1.1.1 above shall apply to the Parties in an equal and symmetrical manner.
 - 1.1.5 The Reciprocal Compensation Rate (including, but not limited to, per minute of use rates) billed by ZMV to Verizon shall not exceed the Reciprocal Compensation Rate (including, but not limited to, per minute of use rates) billed by Verizon to ZMV.
 - 1.1.6 The rates provided for in Section 1.1.1 above shall apply until such time as they are replaced prospectively by such new rates as may be approved or allowed into effect from time to time by the Commission pursuant to FCC orders and FCC regulations, or by the FCC, subject to a stay or other order issued by a court of competent jurisdiction.
 - 1.2 Reciprocal Compensation shall not apply to traffic that is not subject to Reciprocal Compensation under Section 251(b)(5) of the Act.
 - 1.3 "Internet Traffic" means any traffic that is transmitted to or returned from the Internet at any point during the duration of the transmission.
 - 1.4 [Intentionally Left Blank].
 - 1.5 Reciprocal Compensation shall not apply to Internet Traffic, or to any traffic that does not originate and terminate within the same basic exchange area as defined by Verizon, based on the actual originating and terminating points of the complete end-to-end communication.
 - 1.6 The Parties' rights and obligations with respect to any intercarrier compensation that may be due in connection with their exchange of Internet Traffic shall be

governed by the terms of the Order and other applicable FCC orders and FCC regulations, including, without limitation, the Order in Petition of Core Communications, Inc. for Forbearance Under 47 U.S.C. § 160(c) from Application of the ISP Remand Order, 19 FCC Rcd 20179, WC Docket No. 03-171 (2004) (the "Core Order").

- 1.7 The determination of whether traffic is Reciprocal Compensation Traffic or Internet Traffic shall be performed in accordance with Paragraphs 8 and 79, and other applicable provisions, of the Order (including, but not limited to, in accordance with the rebuttable presumption established by the Order that traffic delivered to a carrier that exceeds a 3:1 ratio of terminating to originating traffic is Internet Traffic, and in accordance with the process established by the Order for rebutting such presumption before the Commission), as modified by the Core Order and other applicable orders and rules of the FCC.

2. Miscellaneous Provisions.

- 2.1 Conflict Between this Amendment and the Agreement. This Amendment shall be deemed to revise the terms and conditions of the Agreement to the extent necessary to give effect to the terms and conditions of this Amendment. In the event of a conflict between the terms and conditions of this Amendment and the terms and conditions of the Agreement, this Amendment shall govern; provided, however, that the fact that a term or condition appears in this Amendment but not in the Agreement, or in the Agreement but not in this Amendment, shall not be interpreted as, or deemed grounds for finding, a conflict for purposes of this Section 2.
- 2.2 Capitalization. Capitalized terms used and not otherwise defined herein have the meanings set forth in the Amended Agreement.
- 2.3 Counterparts. This Amendment may be executed in one or more counterparts, each of which when so executed and delivered shall be an original and all of which together shall constitute one and the same instrument.
- 2.4 Captions. The Parties acknowledge that the captions in this Amendment have been inserted solely for convenience of reference and in no way define or limit the scope or substance of any term or condition of this Amendment.
- 2.5 Scope of Amendment. This Amendment shall amend, modify and revise the Agreement only to the extent set forth expressly in this Amendment and, except to the extent expressly set forth in this Amendment, the terms and conditions of the Agreement shall remain in full force and effect after the Amendment Effective Date. For the avoidance of any doubt, nothing in this Amendment shall be deemed to amend or extend the term of the Amended Agreement, or to affect the right of a Party to exercise any right of termination it may have under the Amended Agreement.
- 2.6 Joint Work Product. The Parties acknowledge that this Amendment is the joint work product of the Parties, that, for convenience, this Amendment has been drafted in final form by Verizon and that, accordingly, in the event of ambiguities in this Amendment, no inferences shall be drawn for or against either Party on the basis of authorship of this Amendment.

- 2.7 **Amendments.** No amendments or modifications shall be made to this Amendment unless in writing and signed by appropriate representatives of the Parties.
- 2.8 **Waivers.** A failure or delay of either Party to enforce any of the provisions of this Amendment, or any right or remedy available under this Amendment, or at law or in equity, or to require performance of any of the provisions of this Amendment, or to exercise any option that is provided under this Amendment, shall in no way be construed to be a waiver of such provisions, rights, remedies or options.
- 2.9 **Definitions.** Notwithstanding any other provision in the Agreement, this Amendment or any Verizon Tariff or SGAT, the term "Tariff," as used in this Amendment, shall mean: (a) Any applicable Federal or state tariff of a Party, as amended from time to time; or (b) any standard agreement or other document, as amended from time to time, that sets forth the generally available terms, conditions and prices under which a Party offers a Service. The term "Tariff" does not include any Verizon Statement of Generally Available Terms (SGAT) which has been approved or is pending approval by the Commission pursuant to Section 252(f) of the Act.
- 2.10 **No Arbitrage.** ZMV represents and warrants that as of the Amendment Effective Date, and covenants that so long as this Amendment and the Agreement remain in effect, neither ZMV, nor any competitive local exchange carrier controlled by or under common control with ZMV, shall exchange with Verizon, or any incumbent local exchange carrier controlled by or under common control with Verizon, Reciprocal Compensation Traffic or Measured Internet Traffic for the Commonwealth of Pennsylvania at any rates other than the rates for such traffic as specified in this Amendment.

IN WITNESS WHEREOF, the Parties hereto have caused this Amendment to be executed as of the Amendment Effective Date.
