RE: 30 Day extension

I am requesting a 30 day extension to file liability insurance. When I initially submitted my application for Motor Common Carrier of Property I was hoping to be able to return to work in the time frame allowed to purchase insurance but it has taken longer than I expected to recover. I may have to file for another 30 day extension after this time period if I am unable to perform my work duties. I hope that this will be acceptable if needed. Please let me know if I am required to do anything else in this time period so that when I am able to return to work this filing will be acceptable.

Thank you.
