APPLICATION FOR SUBPOENA

Complainant The Victory Condominium Association (“Complainant”) hereby applies for a subpoena to compel the attendance and deposition testimony of Michelle Lebron, the Account Representative for Respondent PECO Energy Company (“PECO”) assigned to Complainant’s PECO account, in the above matter. Complainant requests that Ms. Lebron bring with her and produce any and all files in her possession and/or control relating to Victory Condominium Association. A response or objection to the application shall be filed with the Commission and presiding officer within 10 days of application or the application for the subpoena shall be granted.

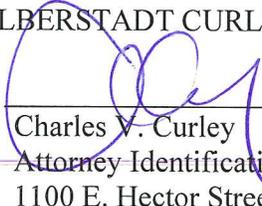

Complainant seeks testimony and documentary evidence relating to: 1) the contract minimums applied to Complainant’s account; 2) PECO’s communications with Complainant regarding the service options available for its electric service; and 3) PECO’s process for determining what contract limits should be applied to a customer’s contract. Said testimony and documentary evidence is relevant to Complainant’s claims that PECO applied an excessive contract minimum to Complainant’s account, which resulted in substantial overcharges.

A Certificate of Service is attached hereto.
