Secretary Chiavetta

PA PUBLIC UTILITY COMMISSION
SECRETARY'S BUREAU

This is not going to be a fancy
typed letter like the Lawyers but just a
letter from me (Jeffrey L. Weiser) explaining
my side.

I own the property that this garage
is being built on.

I am the one who has put up most of
the money for this garage.

I am the one who has paid benelec for
the service to be put in. Please see
the enclosed copy of the canceled check
that came from my business signed by
me. I also have paid for all the wire,
conduit, and all other electrical supplies to
get the electric in to this garage.

The only ^{reason} the bill is in my
sons name (Dustin Weiser) is when and if
he ever pays me all the money I have
put up for this garage then and only then
it will be signed over to him.

Benelec electric poles run through the
middle of my field and one is 200 ft.
from the garage. Benelec is making me pay
for everything to hook up for electric.

I have talked to many people in the area
who have had electric put in lately and
no one has had to pay to be hooked up.

and I feel I should not have to either

Penelope has always talked to me, not my son.

like I said before, this garage will be Justin's some day in the future but for now I (Jeffrey P. Weiser) own it and I am paying all bills.

I hope this helps to understand my side.

Jeffrey P. Weiser

P.S. I also built a house on this property 10 years ago and Penelope had to put a Transfer Box in my back yard to get electric to me and I didn't have to pay for anything.
