**Re: Anil Kapur vs. Aqua Pennsylvania Inc.
Docket No. C-2012-2291569 – Motion to Withdraw Complaint Without Prejudice**

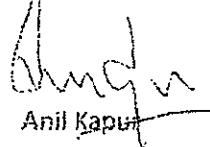

Dear Honor:

Further to my EM and attached letter dated March 25, 2012, I would like to request a motion to withdraw my formal complaint without prejudice under Document No. C-2012-2291569.

After deliberation, I do not believe the sewage aspect of my complaint only would effectively address my concerns on the rate structure. My current stance does not in any way reflect any change in my position that the State Legislature, the Regulatory Authority and the Utility need to re-examine its rate structure. I would therefore appreciate if my formal complaint be withdrawn without prejudice. If there are any questions, please do not hesitate to contact me.

A copy of this letter is being forwarded to others listed.

Yours very truly,

Anil Kapur
