Re: Petition of PPL Electric Utilities
Second Control Equipment Shelter Building
Lower Milford Township, Lehigh County

Dear Secretary Chiavetta:

The Lehigh Valley Planning Commission considered the above referenced matter at the March 29, 2012 meeting. The Commission voted to offer no comments on the petition that the PUC find that the proposed transmission line is reasonably necessary for the convenience or welfare of the public and therefore exempt from Township zoning requirements.

Sincerely yours,

Olev Taremäe
