Re: Application of GEM Ambulance LLC
A-6314085
A-2011-2274076

Dear Secretary Chiavetta:

This letter shall serve as a request for extension of time within which to comply with the Commission's Order of February 16, 2012 which approved the transfer of the rights currently held by Transit Aide, Inc. to GEM Ambulance, LLC. Within that Order the Commission imposed two (2) conditions which must be met before the official Certificate of Public Convenience will be issued: (1) the filing of an acceptable Form E as evidence of bodily injury and property damage liability insurance and (2) an acceptable tariff. Applicant anticipates the electronic filing of a Form E – Evidence of Insurance by the April 16, 2012 deadline imposed in the Commission's Order. While Applicant had filed a tariff with the Commission on or about March 28, 2012, to date Applicant has not received any indication from the Commission that the tariff has been accepted by the Commission.

The Commission Order also provides that if both conditions are not met within sixty days of the entry date of the Order, the application will automatically be dismissed. The final date for the submission of this required information and/or action by the Commission for approval of the items already submitted is April 16, 2012. The undersigned believes that these outstanding matters cannot be resolved by that date. Accordingly, Applicant is requesting that it be granted an additional forty five (45) days within which to comply with the Commission's December 16, 2012 Order.
