I AM writing you, because I dropped my complaint with the judge in SCRANTON, PA. AND with the Attorney General's office also in SCRANTON, PA.

There ARE too MANY judges coming and going AND I CAN'T be sure that the third judge WASN'T told ALL ABOUT my complaint. I AM NOT ACCUSING ANYONE of illegal actions, it's just that I CAN'T walk into a COURT room knowing this. I ALSO do not like being called a liar by U.G.F. Utilities. They told the Atty. General that I have no evidence, what do you call a chemical, turned walls (yellow), fan blades and cabinet doors along with 1 dead person. ALL NORMAL? Just because I dropped my complaint does not bar me from suing U.G.F. Utilities ASK the Atty General OVER →

Your Agency did not force U. & I
to come and look at vinyl siding and
railing being also destroyed.
No evidence? Who do you think
gave me my inside evidence? Just
A retired person who worked for
U. & I. Utilities for 36 years. You
couldn't get U. & I. to come and
look at this mess. It's also a
hazard to kids in the fall, winter
and even today with the heat on.
You guys really care about kids.
Your Agency left a hazard go on
since last fall, and I will do my
best, with or without you. I don't
trust anyone and there was no
reason to let a hazard go on & on.
Would you also leave benzene in the
house for 8 months? All you had to
do was to come here, remove a drip
pipe with U. & I. Utilities. That
would not take 8 months. More like
8 minutes or less. Now it's going on 9
months. Killing time, is also no way
to do business. Complaint dropped,
but not forgotten, either is U. & I. Utilities.
I'll just remember to keep
all of my letters.

Respectfully

Michael J. Mitchell
