Dear Mr. Stoughton:

We are pleased that IDT Energy, Inc. ("IDT") is providing Natural Gas Supply Service on the distribution system of Columbia Gas of Pennsylvania, Inc. ("Columbia Gas").

Under Paragraph 2.4.5 of the Rules Applicable to Distribution Service section of the Tariff of Columbia Gas, IDT is required to provide to Columbia Gas a bond or other financial security instrument in an amount that Columbia Gas determines to be appropriate.

We have determined that IDT does not need a bond or other financial security requirement to provide natural gas services to Columbia Gas customers.

If the creditworthiness circumstances or Columbia Gas' exposure to IDT changes in the future, Columbia Gas might deem it appropriate to require IDT to provide a bond or other financial security instrument.

In the meantime, please feel free to contact me at 614-460-6841 if you have any questions now or in the future regarding the bond or other financial security instrument requirements of Columbia Gas.

Sincerely,

Michele Caddell

RE: UGI Financial Security Requirements

Dear Mr. Stoughton,

UGI Utilities, Inc. ("UGIU") has reviewed the financial information of IDT Energy, Inc., ("IDT"). Based on this review and the requirement that IDT must post security as specified in the UGI Gas ("UGI"), UGI Penn Natural Gas ("PNG") and/or UGI Central Penn Gas ("CPG") Supplier Coordination Tariffs before it serves customers on the UGI, PNG and/or CPG distribution systems, UGIU has determined that IDT has demonstrated adequate creditworthiness to satisfy any costs UGI, PNG and/or CPG may incur in the event they operate as a supplier of last resort due to a default on the part of IDT.

This determination may change in the event there is a material deterioration in that condition, if IDT's obligations to UGI, PNG and/or CPG exceed the amount of the financial security provided, if the financial security is withdrawn or is deemed to be null and void or inadequate due to the material financial deterioration of any guarantor, or if IDT fails to abide by the terms and conditions of the UGI, PNG and/or CPG Gas Tariffs and the UGI, PNG and/or CPG Natural Gas Supplier Coordination Tariffs.

Please feel free to contact me with any additional questions that you may have. I can be reached at (610) 796-3520.

Sincerely,

David E. Lahoff

1. Use the 'Print' button on this page to print your label to your laser or inkjet printer.
2. Fold the printed page along the horizontal line.
3. Place label in shipping pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

Warning: Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional billing charges, along with the cancellation of your FedEx account number.

Use of this system constitutes your agreement to the service conditions in the current FedEx Service Guide, available on fedex.com. FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery, or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations found in the current FedEx Service Guide apply. Your right to recover from FedEx for any loss, including intrinsic value of the package, loss of sales, income interest, profit, attorney's fees, costs, and other forms of damage whether direct, incidental, consequential, or special is limited to the greater of \$100 or the authorized declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value is \$500, e.g. jewelry, precious metals, negotiable instruments and other items listed in our Service Guide. Written claims must be filed within strict time limits, see current FedEx Service Guide.
