**PREHEARING CONFERENCE MEMORANDUM
OF
NOBLE AMERICAS ENERGY SOLUTIONS LLC**

AND NOW, comes Noble Americas Energy Solutions LLC (“Noble”), by its attorneys, and submits this Prehearing Conference Memorandum in connection with the Prehearing Conference scheduled to be held in the above-captioned matter on June 6, 2012.

I. Introduction

On or about May 1, 2012, PPL Electric Utilities Corporation (“PPL”) filed a petition seeking Pennsylvania Public Utility Commission (“Commission”) approval of its second Default Service Program and Procurement Plan (“Program”) to establish terms and conditions under which PPL will acquire and supply default service for the period from June 1, 2013 through May 31, 2015. PPL requests Commission approval of its Program by February 1, 2013.

Noble is a California Limited Liability Company authorized to conduct business in the Commonwealth of Pennsylvania. Noble is licensed by the Commission as an electric generation supplier (“EGS”) at Docket No. A-2011-2237924 to offer, render, furnish or supply electricity and electric generation supplier services to residential, small commercial (25kW and under), large commercial (over 25kW), industrial, and governmental customers throughout the Commonwealth, including PPL’s service territory.

On May 30, 2012, Noble filed a Petition to Intervene (“Petition”) in this proceeding. Noble incorporates by reference the statements and information provided in its Petition and respectfully requests that Judge Colwell grant its intervention.

The name, business addresses, telephone and fax numbers, and email address of Noble’s counsel are:

II. Noble’s Participation

Noble will participate in this proceeding as an active party. It requests that copies of all discovery responses, including any discovery responses that may have already been distributed, be provided to counsel for Noble. As necessary and appropriate, Noble will conduct its own discovery, present testimony, cross examine witnesses, and submit briefs for Commission consideration.

III. Witnesses

Noble is in the process of identifying any potential witnesses it may call and their intended subject matter. Noble agrees to notify Judge Colwell and the participants whether it will be submitting direct testimony in this proceeding and reserves the right to submit rebuttal and surrebuttal testimony as it deems appropriate. Noble will comply with all deadlines established in the proceeding for the service of testimony.

IV. Issues

Noble is in the process of identifying the issues it may pursue in this proceeding. Upon completing its review of PPL's filing and direct testimony, Noble may support, oppose or propose modifications to PPL's proposed Program. Noble reserves the right to present its position in accordance with the litigation schedule which will be determined at the Prehearing Conference.

V. Evidence

Because Noble is still identifying the issues it may pursue and the witnesses it may call, it has not determined what evidence, if any, it would present at hearing. Noble anticipates that any evidence it would submit in the proceeding would consist of the prepared direct testimony and accompanying exhibits of any witnesses. Noble also reserves the right to present additional evidence including, but not limited to, rebuttal and surrebuttal testimony and exhibits related thereto.

VI. Discovery

Noble is prepared to cooperate with Judge Colwell and all other parties at the Prehearing Conference to develop any reasonable and appropriate modifications to the Commission's Rules of Practice and Procedure for the conduct of discovery as are necessary.

VII. Schedule of Proceeding

Noble is prepared to cooperate at the Prehearing Conference in the finalization of a procedural schedule acceptable to Judge Colwell and all other parties.

Respectfully submitted,
