Ms Chavetta.

I am writing in regards to receiving a certified letter in the mail with disputes the main issue with my income.

My comment was not with any of my income but the payment the left company wanted me to pay it was out of my range of what I could afford to pay the left company. Duquesne light is not the only company or people that I owe money to.

The way the economy is today everyone is living from pay check to pay check I have other expense not to mention my medicine I take daily and fill it monthly \$68.00

I can afford a little over \$100 a month until my pay check goes up as pay check goes down.

Thank you  
Myra Leefer
