There was a phone hearing set for April 30th 2012 @ 10 AM. I missed that hearing because I was called into work at the last minute. I waited for decision regarding this hearing to respond if need be!

I still would like to arrange some sort of payment on the past due amount owed. My husband and I are separating and I will no longer be living at the residence on 1109 Daisy St. My husband may stay but won't be able to pay my bill either. I'm not sure if he can get service on his name once I have it removed from my name or not. But I want to make arrangements for payment on my bill before I leave.

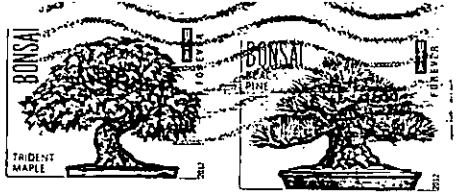

At this time I would like to request another phone hearing to settle this matter if possible.
