Docket number: F-2011-2254904

To whom it may concern:

My name is Montelagra E. Cooper, and this is my filing of the exceptions in reference to the above docket number. While I am able to pay the current bill plus 1/24 of the past due, I do not have the funds nor do I have access to funds to pay the approximately \$2700.00 one time payment. My monthly gross pay does not even equal that amount. My net pay is only roughly about \$1850. I do not have credit cards, am unable to obtain any sort of loan, and do not have friends/family who would be able to make such a large payment. The soonest I would have those funds available would be in February/March of 2013 when I file my 2012 taxes. If possible, I would like the initial additional payments to go towards that portion, or have that set to a separate payment plan. I would then be able to have all past due amounts paid off still within the 24 months. Thank you.

Sincerely,

Montelagra Cooper
