March 2010 to Current

- ♦ Complete oversight of all financial activities of the company
- ♦ Manage cashflow for daily operations and capital improvements
- ♦ Guided company through its initial financial audit successfully
- ♦ Instituted and maintain internal control policies
- ♦ Engage with key outside contractors

ExhibitGroup/Giltspur: Divisional Controller/Business Manager – Dallas, Texas September 2005 to November 2009

- ♦ Reportable segment of publicly held holding company, Viad, Inc. (NYSE: VVI)
- ♦ Managed all financial aspects of the Southeastern region as well as the EG Retail division
- ♦ Supervised two staff accountants as well as all regional operation coordinators
- ♦ Responsible for developing and submitting the monthly sales and cost of sales forecast
 - Initiated and improved the forecast process which enabled the forecast to be completed during the first week of the month. Prior, the forecast was not finalized until the middle of the month
 - Developed and implemented an automation of the forecast process which substantially improved the monthly variance of forecast to actual
 - Created a process in which all Divisional Controllers could forecast direct shop labor hours by utilizing reports generated from the operations department and weekly meetings
- ♦ Supported the creation of the annual budgets for the Southeastern and EG Retail divisions
 - Worked with the sales team to develop the upcoming year's sales revenue targets by customer and reviewed for reasonableness with the executive management
 - Based on historical information, developed the cost of sales and general administrative expenses for the annual budget
- ♦ Managed and reviewed all commission compensation for the entire sales force in the United States
 - Automated the calculations for commissions which eliminated the errors in commission compensation calculations
 - Reviewed all calculations from staff accountant to ensure accuracy and compliance with individual compensation plans
 - Developed an analysis for accrued commission in order to verify the adequateness of the balance
 - Implemented a forecast process which allowed to correctly forecast the actual commission expense month over month, rather assuming a flat percentage across all US divisions as previously done
 - Participated with the executive management team in the creation of the commission plans for all levels of the sales staff as well as rolling out the compensation documents to the sales team
 - Researched any disputes with sales commissions and efficiently communicated resolution with executive management and sales personnel
- ♦ Responsible for several operational and financial statistics including days to bill and outstanding accounts receivable
- ♦ Improved the handling of raw materials inventory with weekly cycle counts which greatly reduced the variance during the year end physical inventory count
- ♦ Researched and approved all no cost change orders, management override change orders and credit memos initiated by operations or sales departments
- ♦ Managed all SOX compliance issues for the regional controls and reported to external and internal auditors on questioners. Never had an exception for noncompliance of documented controls

Universal Compression: Houston, Texas**Accounting Manager - US Division**
