**Re: Request for Extension of Time to File Reply Comments to Act 129 Tentative Orders: Implementation Phase II and Total Resource Cost (TRC) Test - 2012 Phase II  
Dockets M-2012-2289411/M-2008-2069887 and M-2012-2300653/M-2009-2108601**

Dear Secretary Chiavetta:

In May of 2012, the Pennsylvania Public Utility Commission ("PUC" or "Commission") issued the above-referenced Tentative Orders and established due dates for filing comments and reply comments. With respect to the Tentative Implementation Order, comments were due on June 25 and reply comments are due on July 6, 2012. With respect to the Tentative Order regarding a TRC Test for Phase II, comments are due on June 29 and reply comments are due on July 9, 2012.

By this letter and pursuant to Section 1.15 of Chapter 52 of the Pennsylvania Code (52 Pa. Code §1.15), the Energy Association of Pennsylvania ("Association") for itself and its members requests an extension of time until Friday, July 13, 2012 for the filing of reply comments to the Tentative Implementation Order and until Monday, July 16, 2012 for the filing of reply comments to the Tentative Order regarding a TRC Test for Phase II.

Given the range and importance of the issues addressed in these Tentative Order dockets and the intervening July 4<sup>th</sup> holiday, the Association believes that the current reply comment due dates provide too brief a period to adequately review all the filed comments and then prepare appropriate responses. Moreover, inasmuch as both these dockets deal with Act 129 Phase II issues and procedures, it is likely that the same individuals within a commentator's organization are responsible for handling both of these dockets.

The Association, therefore, seeks an extension of time until Friday, July 13 to file reply comments in the Tentative Implementation Order docket and until Monday, July 16 to file reply comments in the TRC docket for itself and its members. EAP supports application of any extension granted to all parties filing in these two dockets.

Thank you for consideration of this request.

Respectfully submitted,

Donna M.J. Clark  
Vice President and General Counsel
