PREHEARING ORDER
MOTION FOR CONTINUANCE

AND NOW, upon consideration of the unopposed Motion for Continuance (“Motion”) of this proceeding from Daniel Clearfield, Esquire, counsel for Philadelphia Gas Works (“PGW”), and noting that the reason for the request is that the parties have represented that they have reached a settlement in principle that negates the need for hearing, the request is GRANTED. A Notice of Hearing canceling the current hearing date of Friday, July 13, 2012, and rescheduling to a future date will be issued.

SO ORDERED, this ___ day of July 2012.

**UNOPPOSED MOTION OF
PHILADELPHIA GAS WORKS
FOR CONTINUANCE OF PREHEARING CONFERENCE**

Pursuant to Section 5.103 of the Pennsylvania Public Utility Commission's ("Commission" or "PUC") regulations,¹ Philadelphia Gas Works ("PGW") respectfully requests that the Initial Prehearing Conference rescheduled for Friday, July 13, 2012 before Administrative Law Judge ("ALJ") Angela T. Jones be further continued for a period of at least forty-five (45) days because a settlement in principle has been reached to resolve the outstanding issues in this proceeding.² Counsel for PGW is authorized to represent that the Commission's Bureau of Investigation and Enforcement ("I&E") joins in this request. In support thereof, PGW avers as follows:

1. The underlying incident is the gas leak and explosion in the Tacony section of Philadelphia on January 18, 2011.

¹ 52 Pa. Code § 5.103.

² The Initial Prehearing Conference originally scheduled for June 6, 2012, was continued by Prehearing Order of ALJ Jones dated June 5, 2012.

2. On December 16, 2011, I&E filed the subject Formal Complaint against PGW. The Formal Complaint contains 334 counts, and has both a public version and a proprietary version. PGW filed a timely Answer and New Matter, which has both a public version and proprietary version. I&E filed a timely Reply to PGW's New Matter.

3. PGW and I&E have, since the close of the formal pleadings cycle, engaged in serious settlement negotiations – consistent with the Commission's policy to encourage settlements.³

4. At this point, PGW and I&E have reached a settlement in principle that they believe resolves the outstanding issues in this proceeding. PGW and I&E intend to prepare and file a Joint Petition for Settlement with the necessary supporting documentation, accompanied by the parties' individual Statements in Support of the settlement. Because this filing is likely to be extensive, PGW requests at least a forty-five (45)-day further continuance of the Initial Prehearing Conference to enable the parties the time needed to formally complete their settlement agreement and prepare the necessary supporting documentation.

5. PGW avers that this request for further continuance, as set forth above, adequately satisfies the standard for granting a continuance as stated in: (a) Your Honor's Prehearing Orders of June 5, 2012 and July 2, 2012; and (b) 52 Pa. Code § 1.15(b).

6. As stated above, counsel for PGW is authorized to represent that I&E joins in this request.

³ 52 Pa. Code § 69.1201. Settlements lessen the time and expense the parties must expend litigating a case and at the same time conserve administrative hearing resources. The Commission has indicated that settlement results are often preferable to those achieved at the conclusion of a fully litigated proceeding.

WHEREFORE, for all the foregoing reasons, PGW respectfully requests that Your Honor issue an Order granting this Motion and further continuing the Initial Prehearing Conference for a period of not less than forty-five (45) days from the date of the Order.

Respectfully submitted,
