

C-2012-2300430

Dear Mine Secretary,

7.1.12

I must state here that I do not understand just why there is a hearing date set, and then, it is dismissed.

I absolutely do not agree with this decision, and I hereby request a hearing. (exceptions). Judge VPRO has dismissed this case. I suppose that being able to cite certain cases in past years, makes it so.

I have proof positive that TYRA Jackson and V.P. Steven Hershey, have indicated to me, that P.G.W. had dropped the ball... as it were! I would like the chance to be heard.

I can not afford to lose this much money, I work much too hard for that amount. All P.G.W. has to do is just sit back and wait till the properties are sold. The owners in many cases like me, are victims of this (shake down).

With your permission
