RE: COMPLAINT DOCKET # F-2012-2298279

I AM REQUESTING A CHANGE OF DATE FOR MY HEARING.

PP&L HAS NOT PROVIDED ME WITH THE NECESSARY PAPERS THAT I HAVE
ASKED THEM FOR. I HAVE SENT THEM ANOTHER LETTER DATED TODAY,
6-21-2012 AND I NEED TO WAIT TO GET THE COPIES FROM THEM.

PLEASE LET ME KNOW THE NEW DATE FOR THIS HEARING.

ALSO, I AM REQUESTING A FORMAL HEARING, NOT A TELEPHONE
HEARING.

THANK YOU,

WILLIAM MERENDINI

Subject: RE: Merendini v PPL

Mr. Merendini contacted me on June 4 to request certain documents. PPL immediately began to gather the documents he requested, but I asked that Mr. Merendini send me a letter or e-mail outlining his requests so that PPL could be sure to respond appropriately. He then placed his request in writing on June 21 (I received the same on June 27). On June 28, I sent Mr. Merendini a package with all the relevant PPL approved tariffs outlining the Time of Use times and rates for the relevant time periods, copies of all correspondences sent to Mr. Merendini regarding the RTS and TOU rates, information on the timers PPL provided, and a rate rebilling summary setting forth his charges calculated on the various rates. Today I am sending to Mr. Merendini a compilation of the kWh he has used from December 2010 through May 2012, during relevant hours of the day. This is the only information PPL has which is responsive to his requests. I have advised Mr. Merendini that PPL does not maintain photocopies of the actual bills as provided to customers, that we only retain the data which has been provided. Accordingly, it is the position of PPL that we have provided Mr. Merendini with all documents he has requested. Moreover, it is PPL's position that it has timely responded to Mr. Merendini's request, which were first made orally on June 4, and later placed in writing on June 21. Therefore, PPL must respectfully oppose any continuances as PPL has no further documents to provide to Mr. Merendini.

Ms. Krupka:

Attached is a letter I received from Mr. William Merendini requesting a continuance of his telephonic hearing scheduled for July 11 at 10:30 a.m. Additionally, he requests a formal hearing as opposed to a telephonic hearing. Could you give me an update on this case. Did you give him the discovery materials he referenced in his letter? Do you have an objection to his motion for continuance?

Please advise.

Thank you.
