RE: Delores Asencio v. Philadelphia Gas Works, Docket No. C-2011-2251832

Dear Secretary Chiavetta:

On July 11, 2012, by regular mail, PGW received the Initial Decision, issued July 6, 2012 in the above referenced matter. That Initial Decision sustains, in part, the Complaint. PGW wishes to file exceptions in this matter, which are due by July 26, 2012.

As counsel for the Respondent, PGW, I will draft the exceptions as I have familiarity with the case. Unfortunately, I have a scheduled vacation out of the U.S. beginning tomorrow, July 13, 2012. I will return to work on July 24, 2012, leaving only two days before the exceptions are due for filing. Therefore, I respectfully request an extension in the filing of exceptions until August 13, 2012 (20 days after my return). I have attempted to contact the Complainant in this matter to see if she has an objection. She is incarcerated at the Pennsylvania State Correctional Institute at Muncy. Institute staff has returned my call. I will call again tomorrow to make contact with Ms. Asencio.

If you need additional information about this matter, please contact me at my direct-dial number above. Thank you for your assistance.

Sincerely,

Laureto Farinas
