RE: Docket # C-2011-2270681

July 9, 2012

Dear Ms. Chiavetta:

On December 1, 2011 we were in receipt of a certified letter from your office regarding a \$250.00 fine for not issuing a vehicle list between December 1 and December 31, 2010. Today, I received another letter stating that the \$250.00 fine was still due. On December 13, 2011 I wrote a letter to Mr. Hoffman explaining the situation that we did not have our PUC license during that time period. Please find a copy of these letters's enclosed.

I just spoke to Mr. Robert Bingaman regarding the complaint against AAA Worldwide Transportation and he informed me to write to you. He also affirmed that no complaint should be against AAA Worldwide Transportation and that I do not need to pay the fine.

I explained to him that we were not issued are PUC license until February 4, 2011, so I would not be obligated to send a vehicle list in December of 2010. I also informed him that when we did apply for the PUC License, we did include a vehicle list as part of our packet.

I am asking that you dismiss the \$250.00 fine against AAA Worldwide Transportation for we did not do anything wrong. If you have any questions or concerns, please contact me at amayer@aaaworldwidetrans.com or 908-735-6499. I ask that you follow up with me to verify that the charges have been dismissed. Thank you.

Best regards,
