Dear Judge Hoyer;

After finally getting some much needed sleep, and arguing with the court steno over the price of a hearing transcript, I intend to heed the advice of both of my sons, my son Patrick, is a lawyer who resides and practices in Tallahassee Florida, and teaches law at a university there, advised early on that this case was not worth the effort it would take to recover the \$ 700.00 loss. His brother, Dean, a rocket scientist with Lockheed-Martin and lives near Philadelphia, echoed that sentiment.

I beseech you to NOT sanction the DLC attorney Jennifer Allison for missing the filing date, we have all missed dates in the past. She is an outstanding lawyer and has a great future in the law. she has a difficult assignment defending a greedy utility.

I will take a passive role in future proceedings, relying on a well reasoned and fair verdict from the presiding officer. I apologize for the hearing postponement I caused when I objected to counsel's exhibits submission.

Sincerely,

James E. Creehan
