8. TECHNICAL FITNESS:

To ensure that the present quality and availability of service provided by electric utilities does not deteriorate, the Applicant shall provide sufficient information to demonstrate technical fitness commensurate with the service proposed to be provided.

a.) EXPERIENCE, PLAN, STRUCTURE:

The Applicant has been a PUC licensed Aggregator and Broker/Marketer since 2001. Since its founding in 1999, Community Energy, Inc. has marketed and sold renewable energy certificates to commercial and residential customers in partnership with regulated electric utilities and competitive electric providers. Community Energy often provides these services directly on the electric bill. Community Energy serves over 90,000 customers annually throughout the Northeast with a dedicated customer service center in Radnor, PA. Community Energy has over five years' experience in managing EDI data transfer with EDCs. Community Energy is also a PJM member with ten years of experience developing new solar and wind energy facilities.

b.) OFFICERS: Identify Applicant's chief officers including names and their professional resumes.

Brent Alderfer is President and is responsible for overall strategic direction, executive management and operations. Alderfer also directs corporate capital, finance and legal, and heads up the Marketing Division. Alderfer served as a former Colorado Public Utility Commissioner and is well known in the renewable energy industry for his leadership in markets for new and renewable energy technologies, and brings that regulatory and policy expertise to the executive management team. Prior to co-founding the Company Alderfer was a principal in the consulting firm of Competitive Utility Strategies, advising on renewable and distributed renewable generation projects in both regulated and competitive markets. In that role, Alderfer consulted to the U.S. Department of Energy in 1999 on utility interconnection policy for renewable and distributed generation. As a Commissioner from 1996 to early 1999, Alderfer chaired the Energy Resources Committee of the National Association of Regulatory Utility Commissioners, where he led several initiatives on opening competitive electric markets, specifically directed to marketing clean and renewable electric supply. An electrical engineer and a lawyer, Alderfer headed a general commercial law practice for fifteen years representing development stage companies through start up and public offering. Alderfer holds an electrical engineering degree from Northeastern University and a law degree from Georgetown University.

Eric Blank is Vice President and co-founder of CEI, and shares responsibility for overall strategic direction and executive management. He oversees project development, including project finance, project timelines and criteria, construction management, equity structures (passive tax equity), and construction. Under an executive employment agreement, Blank served as an executive vice president leading US wind development for Iberdrola, overseeing the development to construction of 700 MW of wind energy, including, but not limited to, the build out of the CEI pipeline. Blank led CEI's wind development efforts from inception. Before CEI, Blank served as the Director of the Energy Project of the Land and Water Fund, where he helped pioneer the field of wind energy marketing, launching one of the first, and most successful, wind energy marketing programs in the country in partnership with several Colorado utilities. Prior to that experience, Blank spent six years providing economic consulting and legal support primarily to independent power producers and energy project developers. With over twenty-five years' experience in the electric utility industry, Blank holds a Master's degree in economics from the London School of Economics and a J.D. from Yale Law School. Blank has been widely published on electric utility issues in a variety of trade and law journals and presented at numerous regional and national forums.

James J. Nelson Jr. is Secretary and Treasurer for Community Energy, Inc. (CEI), a renewable energy company. Prior to joining CEI James worked for Iberdrola Renewables, Inc., a developer and operator of wind farms. He has over 14 years of experience in accounting and finance. James also has entrepreneurial experience within the services industry. James received his Bachelor of Science, in Accounting, from The Pennsylvania State University.

c.) FERC FILING: Applicant has:

- ☒ Filed an Application with the Federal Energy Regulatory Commission to be a Power Marketer.
- ☐ Received approval from FERC to be a Power Marketer at Docket or Case Number _____.

- c. **REPORTING REQUIREMENTS:** Applicant agrees to provide the following information to the Commission or the Department of Revenue, as appropriate:

- Retail Electricity Choice Activity Reports: The regulations at 52 Pa. Code §§ 54.201--54.204 require that all active EGSs report sales activity information. An EGS will file an annual report reporting for customer groups defined by annual usage. Reports must be filed using the *appropriate report form that may be obtained from the PUC's Secretary's Bureau or the forms officer*, or may be down-loaded from the PUC's internet web site.
- Reports of Gross Receipts: Applicant shall report its Pennsylvania intrastate gross receipts to the Commission on a quarterly and year to date basis no later than 30 days following the end of the quarter.
- The Treasurer or other appropriate officer of Applicant shall transmit to the Department of Revenue by March 15, an annual report, and under oath or affirmation, of the amount of gross receipts received by Applicant during the prior calendar year.
- Applicant shall report to the Commission the percentages of total electricity supplied by each fuel source on an annual basis:
- Applicant will be required to meet periodic reporting requirements as may be issued by the Commission to fulfill the Commission's duty under Chapter 28 pertaining to reliability and to inform the Governor and Legislature of the progress of the transition to a fully competitive electric market.

X AGREED

- d. **TRANSFER OF LICENSE:** The Applicant understands that if it plans to transfer its license to another entity, it is required to request authority from the Commission for permission prior to transferring the license. See 66 Pa. C.S. Section 2809(D). Transferee will be required to file the appropriate licensing application.

X AGREED

- e. **ASSESSMENT:** The Commission does not presently assess Electric Generation Suppliers for the purposes of recovery of regulatory expenses; see *PPL Energyplus, LLC v. Commonwealth*, 800 A.2d 360 (Pa. Cmwlth. 2002).

X ACKNOWLEDGED

- f. **FURTHER DEVELOPMENTS:** Applicant is under a continuing obligation to amend its application if substantial changes occur to the information upon which the Commission relied in approving the original filing. See 52 Pa. Code § 54.34.

X AGREED

- g. **FALSIFICATION:** The Applicant understands that the making of false statement(s) herein may be grounds for denying the Application or, if later discovered, for revoking any authority granted pursuant to the Application. This Application is subject to 18 Pa. C.S. §§4903 and 4904, relating to perjury and falsification in official matters.

That COMMUNITY ENERGY INC., the Applicant herein, acknowledges that [Applicant] may have obligations pursuant to this Application consistent with the Public Utility Code of the Commonwealth of Pennsylvania, Title 66 of the Pennsylvania Consolidated Statutes; or with other applicable statutes or regulations including Emergency Orders which may be issued verbally or in writing during any emergency situations that may unexpectedly develop from time to time in the course of doing business in Pennsylvania.

That COMMUNITY ENERGY INC., the Applicant herein, asserts that [he/she/it] possesses the requisite technical, managerial, and financial fitness to render electric service within the Commonwealth of Pennsylvania and that the Applicant will abide by all applicable federal and state laws and regulations and by the decisions of the Pennsylvania Public Utility Commission.

That COMMUNITY ENERGY INC., the Applicant herein, certifies to the Commission that it is subject to, will pay, and in the past has paid, the full amount of taxes imposed by Articles II and XI of the Act of March 4, 1971 (P.L. 6, No. 2), known as the Tax Reform Act of 1971 and any tax imposed by Chapter 28 of Title 66. The Applicant acknowledges that failure to pay such taxes or otherwise comply with the taxation requirements of Chapter 28, shall be cause for the Commission to revoke the license of the Applicant. The Applicant acknowledges that it shall report to the Commission its jurisdictional Gross Receipts and power sales for ultimate consumption, for the previous year or as otherwise required by the Commission. The Applicant also acknowledges that it is subject to 66 Pa. C.S. §506 (relating to the inspection of facilities and records).

As provided by 66 Pa. C.S. §2810 (C)(6)(iv), Applicant, by filing of this application waives confidentiality with respect to its state tax information in the possession of the Department of Revenue, regardless of the source of the information, and shall consent to the Department of Revenue providing that information to the Pennsylvania Public Utility Commission.

Sample Disclosure Statement Format for Electric Generation Suppliers

Residential Electricity Supply Service Agreement

This is an agreement for electric generation service between Community Energy, Inc. ("CEI") and You the Customer.

CEI is licensed by the Pennsylvania Public Utility Commission to supply electric generation services in Pennsylvania. Our PUC license number is A-110152. We set the generation prices and charges that you pay. The Public Utility Commission regulates distribution prices and services. The Federal Energy Regulatory Commission regulates transmission prices and services.

Right of Rescission: You have the right to cancel this agreement at any time before midnight of the third business day after receiving this disclosure statement by contacting the CEI Customer Care Center at 1.866.946.3123.

Terms of Service

1. **Basic Service Prices:** You will pay EGS rate per kWh for electric generation service consisting of 99% Wind-generated electricity from Pennsylvania and 1% Solar-generated electricity from Pennsylvania. Customer agrees and understands that the rate may fluctuate month to month with market conditions. This rate includes transmission charges and estimated total state taxes, including the Gross Receipts Tax, but excludes applicable state and local sales taxes as well as any new taxes imposed.
2. **Billing:** Customer will continue to receive one monthly electric bill processed and provided by PECO. Payment is due to PECO in accordance with their standard billing practices.

After printing this label:

1. Use the 'Print' button on this page to print your label to your laser or inkjet printer.
2. Fold the printed page along the horizontal line.
3. Place label in shipping pouch and affix it to your shipment so that the barcode portion of the label can be read and scanned.

Warning: Use only the printed original label for shipping. Using a photocopy of this label for shipping purposes is fraudulent and could result in additional billing charges, along with the cancellation of your FedEx account number.

Use of this system constitutes your agreement to the service conditions in the current FedEx Service Guide, available on fedex.com. FedEx will not be responsible for any claim in excess of \$100 per package, whether the result of loss, damage, delay, non-delivery, misdelivery, or misinformation, unless you declare a higher value, pay an additional charge, document your actual loss and file a timely claim. Limitations found in the current FedEx Service Guide apply. Your right to recover from FedEx for any loss, including intrinsic value of the package, loss of sales, income interest, profit, attorney's fees, costs, and other forms of damage whether direct, incidental, consequential, or special is limited to the greater of \$100 or the authorized declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value is \$500, e.g. jewelry, precious metals, negotiable instruments and other items listed in our Service Guide. Written claims must be filed within strict time limits, see current FedEx Service Guide.
