RE: License Application of Agway Energy Services, LLC for approval to offer, render, furnish or supply electricity or electric generation services as a supplier of retail electric power; Docket No. A-2011-2277881; **Report on PJM Load Serving Entity Status**

Dear Secretary Chiavetta:

By Order entered April 12, 2012, in the above-captioned matter, the Pennsylvania Public Utility Commission ("Commission") granted the Application of Agway Energy Services, LLC ("Agway") for a license as an electric generation supplier ("EGS") in the Commonwealth of Pennsylvania. Importantly for purposes of this notice, Ordering Paragraph No. 3 requires Agway to submit "proof that it is a PJM registered load serving entity as a party to the reliability assurance agreement, or that it has a contract with an entity who is such a party" with 120 days from the date of the Order. The 120 day period expires on August 20, 2012.

The purpose of this letter is to inform the Commission that on August 13, 2012 Agway expects to submit its application for membership to the PJM, and it is hopeful that the application will be approved before August 20, 2012. It is possible, however, that the PJM approval may take longer than expected. Accordingly, Agway hereby requests an extension of the 120 day requirement, as a contingency, and only to the extent necessary to allow PJM to complete its process. Agway will submit proof of its load serving entity's status as soon as it becomes available from PJM.
