**Amendment to the Interconnection Agreement between New Cingular Wireless PCS,
LLC, and its Commercial Mobile Radio Service operating affiliates,
d/b/a AT&T Mobility, and Venus Telephone Company**

This is an Amendment (“Amendment”) to the Interconnection Agreement dated September 11, 2006 between New Cingular Wireless PCS, LLC, a Delaware limited liability company, and its Commercial Mobile Radio Service (“CMRS”) operating affiliates, d/b/a AT&T Mobility (hereafter “AT&T Mobility”), and Venus Telephone Company (hereafter “VTC”) (“Agreement”). VTC and AT&T Mobility may be referred to individually as a Party and jointly as the “Parties”.

RECITALS

WHEREAS, the Parties, or their predecessors in interest, previously entered into an Interconnection Agreement pursuant to 47 U.S.C. §§ 251/252 dated September 11, 2006 (hereinafter “2006 ICA” or “Agreement”); and

WHEREAS, the Federal Communications Commission (“FCC”) in an order released November 18, 2011, and as amended by the FCC’s order on December 23, 2011 (collectively the “USF/ICC Reform Order”) has provided, pursuant to 47 C.F.R. § 51.705(a) that bill-and-keep shall be the default reciprocal compensation for transport and termination arrangement between the Parties for the exchange of Non-Access Telecommunications Traffic within the scope of 47 C.F.R. § 51.701(b)(2) exchanged between AT&T Mobility and VTC, and that this is to be considered a change of law; and

WHEREAS, the FCC has addressed certain limitations on the transport and provisioning responsibilities of the Parties with respect to the exchange of Non-Access Telecommunications Traffic within the scope of 47 C.F.R. § 51.701(b)(2) in the USF/ICC Reform Order at 47 C.F.R. § 51.709(c);

WHEREAS, VTC is a rural, rate-of-return carrier within the meaning of the USF/ICC Reform Order;

WHEREAS, AT&T Mobility elects to apply a bill-and-keep arrangement to all Non-Access Telecommunications Traffic within the scope of 47 C.F.R. § 51.701(b)(2) exchanged between AT&T Mobility and VTC, effective July 1, 2012; and

WHEREAS, VTC elects to apply 47 C.F.R. § 51.709(c); and

WHEREAS, pursuant to the USF/ICC Order the Parties agree to amend the Agreement to provide for a bill-and-keep arrangement to become effective on July 1, 2012 for Non-Access Telecommunications Traffic within the scope of 47 C.F.R. § 51.701(b)(2) exchanged between AT&T Mobility and VTC and the application of 47 C.F.R. § 51.709(c) effective July 1, 2012 .

AGREEMENT

NOW THEREFORE, in consideration of the premises and the mutual terms, covenants and conditions contained in this Amendment and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

Amendment Terms

1. Notwithstanding the terms and conditions set forth in the Agreement and pursuant to the USF/ICC Order, from July 1, 2012, forward, all Non-Access Telecommunications Traffic within the scope of 47 C.F.R. § 51.701(b)(2) exchanged between AT&T Mobility and VTC shall be exchanged pursuant to a bill-and-keep arrangement, which means that neither Party shall pay reciprocal compensation. The existing compensation terms and conditions in the Agreement for reciprocal compensation for transport and termination of traffic within the scope of 47 C.F.R. § 51.701(b)(2) shall continue to apply through June 30, 2012.
2. VTC will be responsible for transport of VTC's originating traffic within the scope of §51.701(b)(2) to AT&T Mobility's interconnection point when that interconnection point is located within VTC's incumbent service area. When AT&T Mobility does not have an interconnection point within VTC's incumbent service area, VTC's responsibility for transport of VTC's originating traffic within the scope of § 51.701(b)(2) shall be no more than transport to its meet point at the border of its incumbent service area.
3. For transport obligations that may arise pursuant to paragraph 2, the Parties will work cooperatively to consider and if mutually agreeable, to implement. interconnection arrangements that minimize transport costs to both parties, provided that VTC has no responsibility for any costs related to such alternative arrangements unless VTC specifically agrees to such responsibility.
4. The provisions of the 2006 ICA, as amended, shall apply to the identified affiliated companies listed in Appendix A for the respective Parties.
5. This amendment shall be effective July 1, 2012.
6. This amendment shall remain effective as long as the Agreement remains effective between the Parties. Notwithstanding the foregoing, if as a result of any decision, order or determination of any judicial or regulatory authority with jurisdiction over

the subject matter hereof, the Federal Communications Commission provisions, in the November 18, 2011 or December 23, 2011 orders, regarding the bill-and-keep arrangements for Non-Access Telecommunications Traffic within the scope of 47 C.F.R. § 51.701(b)(2), are reversed or, remanded, then the Parties agree to comply with all requirements of the applicable decision, order or determination. If the order provides that the original orders are void or vacated ab initio and thus the need for this amendment is void then the original 2006 ICA agreement and per minute of use rate contained therein shall be applied in lieu of bill-and-keep and if the Parties have already moved to bill-and-keep, and the order so provides for the reinstatement retroactively, then the Parties will apply such rate(s), retroactively back to the effective date of this amendment or the date of the court ordered stay, vacatur or other modification or clarification, as required by said order.

7. AT&T Mobility and VTC shall also comply with all the call signaling rules set forth in the USF/ICC Reform Order.
8. Except as provided in paragraph 6, the provisions of this Amendment, including the provisions of this sentence, may not be amended, modified or supplemented without the written consent thereto by both Parties' authorized representatives.
9. Except as expressly set forth herein, the terms and conditions of the Agreement shall remain in full force and effect without change.

The Parties, intending to be legally bound, have executed this Amendment as of the dates set forth below, in multiple counterparts, each of which is deemed an original, but all of which shall constitute one and the same instrument.
