Dear Client:

Your divorce is final. Enclosed is your certified decree copy. Note that this court uses only an impression seal, not a colored seal (red or gold, for example). This is all that is available and is completely legal and authentic. If someone such as a marriage license clerk tells you this decree needs a colored seal, he or she is wrong, and you should demand to speak with the clerk's superior or that office's solicitor. There is no legal requirement that a certified decree copy's seal be colored. Please do not call us about there being no colored seal. There is nothing we can do.

Keep your decree and this letter in a safe place! If you ever need another decree for any other reason, write to us (do not call) and send us a \$30.00 money order, not a check, (plus \$10.00 for each additional certified decree should you want more than one) and a self-addressed stamped envelope. NOTE WELL! This is your last chance to get additional decrees at the \$10.00 rate. Additional decrees in the future will be at least \$40.00. If you call, there will be an additional \$25.00 charge. You should receive your additional decree(s) in two to four weeks. ADD \$25.00 if you want your additional decree(s) expressed to you. Your former spouse may also obtain decrees through us for the same charges. (The \$30.00 fee is in effect for the next 30 days. Thereafter, the fee will be \$40.00.) Note the court on the decree. We do not respond to communications requesting the court's name, address or telephone number now or in the future.

The second paragraph of your decree is routine language required by the Court for all divorce decrees and has no effect on your claims. However, we do receive inquiries from clients' banks, for example, sometimes a year or more later when a client is seeking a loan. Some banks require assurance that no claims were ever filed. We can arrange for the Court to provide a "Certificate of No Claims Filed" for the same fee amounts as we charge for providing additional decrees. Please remember that this certificate is available and keep this letter on file. If we receive a call about it, there will be a \$40.00 charge.

Very truly yours,

Reisman and Davis

P.S. Now that the divorce is final, your ex-wife may wish to retake her prior last name. We can perform that service. She should send us a \$45.00 money order (not a check), a written request and a self-addressed, stamped envelope. We do not handle changes of names for children or parents, just the retaking of ex-wives' prior names (such as maiden name or previous married name). The \$45.00 fee is in effect for the next 30 days. Thereafter, the fee will be \$55.00.
