Voluntary Extension of Commission Period for Consideration**

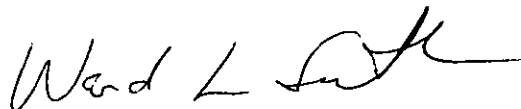

Dear Ms. Chiavetta:

On August 1, 2012, PECO Energy Company ("PECO") filed securities certificates in the four above-noted dockets. Section 1903 of the Pennsylvania Public Utility Code, 66 Pa. C.S. § 1903, provides that the Commission shall have 30 days to review such filings and that: "If, at the end of 30 days after the filing of the filing of a securities certificate, no order of rejection has been entered, such certificate shall be deemed, in fact and in law, to have been registered."

After discussion with Commission staff, PECO hereby voluntarily extends the Commission's consideration period until October 12, 2012. This will allow these certificates to be addressed at the Commission's scheduled October 11, 2012 public meeting.

Please let me know if you have any questions.

Very truly yours,

Ward L. Smith
Counsel for PECO Energy Company
