**Re: Margaret Evans v. PECO Energy Company
PUC Docket No. C-2012-2313526**

Dear Ms. Evans:

Per your telephone conversation today with Regulatory Assessor, Richard Conway, Jr., this letter confirms the settlement of the above-referenced Public Utility Commission (PUC) Complaint. As the parties desire to amicably resolve the dispute without the need for further litigation, PECO Energy has agreed to resolve your formal complaint as follows:

- (1) PECO Energy has credited \$21.15 in late payment charges to your account;
- (3) PECO Energy has issued a sixty (60) month payment agreement. Beginning September 22, 2012, you are to pay \$7.77 per month plus the budget bill of \$97.00 per month.
- (4) PECO Energy has sent you a Customer Assistance Program ("CAP") application. Once you return the application to PECO Energy with income verification, PECO Energy will determine if you are eligible for a tier change from D1 to D.

This letter memorializes the entire agreement between Margaret Evans and PECO Energy Company. Any other terms or promises, written or oral, not body of this letter will not be a part of this settlement agreement and, therefore, will be void.

I will also forward a Certificate of Satisfaction to the PUC to inform them of our agreement. Unless you file a written objection to the PUC within ten (10) days, the Certificate of Satisfaction will sufficiently confirm to the PUC that the Complaint has been settled and the file will be closed.

If you have any questions, please do not hesitate to contact me or Richard Conway, Jr. at 215-841-6031.

Very truly yours,

Shawane L. Lee
