Re: Jack Bleiman vs Peco Energy  
Docket No. F-2012-2284038

Dear Ms. Chiavetta,

This letter is in response to Peco amended exhibits 5 and 10. It is difficult to follow exactly what they did in the amended exhibits but it seems they grossly and negligently overbilled the tenant at 2812 Frankford Ave 1st Floor. Shouldn't Peco be held to the same standard they are trying to hold me to. That is... It has been determined that Peco has grossly and negligently overbilled the tenant at 2812 Frankford Ave. First Floor. Therefore all balances on the account shall be transferred back to Peco.... Who knows what repercussions the gross overbilling might have caused. Maybe the tenant would not have felt overwhelmed with the charges if they were accurate ,etc etc. This is just one more major issue to add to the ones I presented.... The tenant did not have permission to enter the basement, therefore she and Peco were trespassing... Peco sent me a letter stating I was only responsible for the foreign wiring.... A Peco rep cleared the property of foreign wiring but somehow they said they found foreign wiring a second time... I could go on and on. In conclusion, I respectfully ask that all of the money they are trying now to collect from me be dropped and dismissed.

Thank You,

  
Jack Bleiman
