C-2012-2305055

I am writing today to object to the terms
of this agreement I agree with the amount
by not the time allotment of the agreement
I would like to appeal this decision
for that reason. I need more time
than sixty days to pay the amount
needed to get the CRP agreement.
Due to Financial hardship. Wald like 90 days
instead of 60 days

Sincerely

Kimbley-Holmes-Parris
