P-2011-2273670

Re: Metropolitan Edison Company, Pennsylvania Electric Company, Pennsylvania Power Company and West Penn Power Company Electric Generation Supplier Coordination Tariff Supplements in Compliance with the Company's Default Service Plan PAPUC Order, Docket Nos. P-2011-22273650, P-2011-22273668, P-2011-22273669 & P-2011-22273670

Dear Secretary Chiavetta:

Transmitted herewith for filing with the Pennsylvania Public Utility Commission ("Commission") is an original of Supplement No. 1 to Metropolitan Edison Company's ("Met-Ed" or the "Company") Tariff Electric Pa. P.U.C. No. S-1, Supplement No. 1 to Pennsylvania Electric Company's ("Penelec" or the "Company") Tariff Electric Pa. P.U.C. No. S-1, Supplement No. 1 to Pennsylvania Power's ("Penn Power" or the "Company") Tariff Electric Pa. P.U.C. No. S-1, and Supplement No. 3 to West Penn Power's ("West Penn" or the "Company") Tariff Electric Pa. P.U.C. No. 2S which bear issue dates of September 6, 2012. The tariff supplements are proposed to be effective with service rendered on or after June 1, 2013.

The Tariff Supplements reflect (1) the exclusion of PJM Regional Transmission Expansion Plan Charges ("RTEPs") and Expansion Cost recovery as EGS responsibility beginning June 1, 2013, and (2) extend Met-Ed, Penelec and Penn Power provided solar photovoltaic alternative energy credits through May 31, 2015. These rate changes are consistent with the Commission's Order approving the Companies Default Service Programs entered August 16 at Docket Nos. P-2011-22273650, P-2011-22273668, P-2011-22273669 & P-2011-22273670.

LIST OF MODIFICATIONS

RULES AND REGULATIONS –

Modified Section 7.1 to exclude RTEPs and Expansion Cost Recovery as EGS responsibility after June 1, 2013. (See First Revised Page No. 24)

5.14.2 Transfer of Cost Obligations Between Registered EGSs and Customers.

Nothing in the EGS Tariff is intended to prevent a Registered EGS and a Customer from agreeing to reallocate between them any charges that the EGS Tariff imposes on the Registered EGS, provided that any such agreement shall not change in any way the Registered EGSs obligation to pay such charges to the Company, and that any such agreement shall not confer upon the Company any right to seek recourse directly from the Registered EGSs Customer for any charges owed to the Company by the Registered EGS.

5.14.3 Customer Obligations. Customers of a Registered EGS remain bound by the rules and requirements of the applicable EDC Tariff under which they receive service from the Company.

6. LOAD FORECASTING

- 6.1 Customer Load Forecasting.** The Registered EGS is responsible for forecasting its Customer load obligations. The Company will post 24-hour next day forecasts respective to each LSE as support information. This information will be available on an on-going basis for a Registered EGS to download from a password secured Company website. These will be provided for informational purposes only.
- 6.2 Typical Load Data.** The Company shall provide typical load curve data respective to Monthly metered Customer class types. This data is available on the Company's website.
- 6.3 Updates to Typical Load Curve Data.** The Company shall review annually its methodology, algorithms and Load Forecasting results and shall perform additional load studies to update the load curve data as required.
- 6.4 Right to Aggregate.** Registered EGSs may aggregate their Customers' loads when exercising Customer Choice. Customers receiving Competitive Generation Service from a Registered EGS may aggregate multiple EDC accounts or meters for the purpose of energy scheduling and billing of Competitive Generation Service only if the Registered EGS performs the billing of the Competitive Generation Service.
- 6.5 Split Loads.** Partial requirements or split loads are not allowed. Only one Registered EGS will be allowed to provide Competitive Generation Service to a Customer's EDC account.

7. LOAD SCHEDULING

- 7.1 Day Ahead Energy Schedules.** The Registered EGS is responsible for fulfilling its load obligations directly with PJM according to the PJM OATT. EGSs will no longer be responsible for PJM Regional Transmission Expansion Plan charges ("RTEPs") (PJM OATT Schedule 12) and Expansion Cost Recovery charges (PJM OATT Schedule 13) billed for service rendered by PJM after June 1, 2013.
