RE: Complaint C-2012-2320322 – Edward Ennis, Wayne Alexander, Bryan Sanders,  
Steve Colello

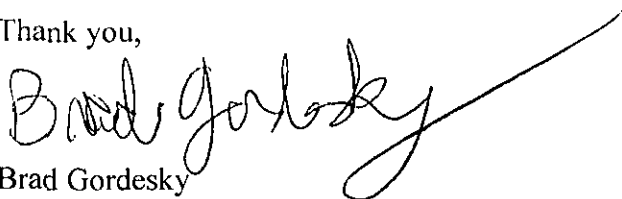

I am in receipt of this complaint. In the complaint, Jetway Transport is being fined \$800.00 in total with the following breakdown. We operated a vehicle using a driver with a suspended, invalid, or expired driver's license.(\$200.00). In addition we are being fined \$50.00 per month in violation, for Edward Ennis 5 months (\$250.00), Wayne Alexander 3 months (\$150.00), Bryan Sanders 2 months (\$100.00) and Steven Colello 2 months (\$100.00) for an additional \$600.00.

The Pennsylvania Department of Transportation did not notify Jetway Transport or its insurance company of these suspension but was only obligated to notify the above drivers of the suspension.

If these drivers were notified, Jetway Transport does not have any knowledge of that since PennDot nor the drivers ever notified Jetway Transport of this suspension.

Since Jetway Transport nor its insurance company was ever notified of this suspension, so our due process was not served, we request that the fines for this complaint be waived.

Thank you,

Brad Gordesky  
Operations Manager
