The transferred assets include certain office equipment, an office lease, and other assets associated with CenterPoint's natural gas marketing business. The assigned contracts relate to commercial, industrial and government customers located in Pennsylvania, primarily in the service territories of UGI, Columbia Gas, and Equitable Gas. All of the affected customers will be notified of the assignment in accordance with the notice terms of their respective contracts, and consent for the assignment will be sought from all customers whose contracts require such consent. The assignment will not affect the terms or conditions of service to the customers in question, unless the contracts are subsequently amended. Furthermore, please note that the transaction does not alter the organizational structure or licensing status of either CenterPoint or South Jersey Energy Company.

Respectfully Submitted,
