RE: Formal PUC complaint F-2010-2210240

Dear Mr. Stewart,

Pursuant to Administrative Law Judge Kandace F. Melillo's Initial Decision dated April 11, 2012, on July 27, 2012, PECO Energy processed a credit to your account in the amount of \$182.63. This credit reflects the 932 kWh difference between the 4453 kWh billed versus 3,521 kWh the judge deemed you consumed between April 1, 2009 and December 15, 2009 and is shown on the enclosed account activity statement. Your regular bill issued July 17, 2012 requested a total amount due of \$4,705.76 by August 8, 2012. I note that no payment was received. Your subsequent bill issued August 15, 2012 listed past due charges of \$4,624.72 – the \$182.63 difference between the amount that was due on August 8, 2012 and the past due charges listed on your August 15, 2012 is the credit that was issued. Copies of both of these bills are also enclosed.

Based on financial information that you provided to PECO on April 3, 2012, I am also enclosing information regarding the CAP Rate Program and a CAP Rate application. I note that the last payment received for your account was for \$100.00 on July 23, 2010.

Your current account balance is \$4,717.62, due October 9, 2012.

Sincerely,

Charles M. Thomas
