Second Voluntary Extension of Commission Period for Consideration**

Dear Secretary Chiavetta:

On August 1, 2012, PECO Energy Company ("PECO") filed securities certificates in the four above-noted dockets. Section 1903 of the Pennsylvania Public Utility Code, 66 Pa. C.S. § 1903, provides that the Commission shall have 30 days to review such filings and that: "If, at the end of 30 days after the filing of a securities certificate, no order of rejection has been entered, such certificate shall be deemed, in fact and in law, to have been registered."

By filed letter of August 15, 2012, PECO voluntarily extended the Commission's consideration period until October 12, 2012.

After further discussion with Commission staff, PECO hereby voluntarily provides a second extension of the Commission's consideration period until October 26, 2012. This will allow these certificates to be addressed at the Commission's scheduled October 24, 2012 public meeting.

Please let me know if you have any questions.

Sincerely,

Ward L. Smith
Assistant General Counsel
