In reply to your letter dated December 12, 1988. File A99993,
IC-88-404.

Our correct name filed with the Penna. P.U.C. is Stumpf Moving and Storage Company not B.F. Stumpf.

We have received a supply of 'Information for Shippers' and will leave one at each estimate. We still have not seen these forms at customers homes and you can be sure customers leave estimates from other movers around to let us know that they have received other estimates.

We are lucky if we receive two or three prepared movings during the year. Customers rarely accomplish what they say they are going to do and very few would admit that the actual moving was different from the amount shown at estimate. When the customer fails to pay any additional amount after 15 days, what support is the PUC going to give the mover? We will have the extra expense of going to a magistrate.

Attached is a copy of two business cards of people doing business as movers in this area. We would like to know their PUC permits and insurance coverage. We would also like to know the status of Moving Services Unlimited as to their PUC application and insurance.

Mr. Joseph E. Lauver

Last year I questioned the P.U.C. regarding advertising by Moving Services Unlimited. I had sent a copy of an ad appearing in a North Hills local paper. The answer I was given that the ad was for warehousing and a P.U.C. permit was not needed. I would like a clarification of this. Is a mover permitted to transport storage to and from his warehouse without benefit of a PUC permit?

Also attached is a page of ads from Bell Telephone for Don Farr Moving and Storage. All ads on this page list an address of 4920 Buttermilk Hollow Road. Phones are answered Moving and Storage, no company name. I would assume that Mr. Farr purchased the PUC rights to these companies and the right to use and advertise their names?

Please advise us on the answers to all above questions. Thank you.

Sincerely,

Shirley A. Stumpf

RE: William C. Stumpf

Dear Mr. Rich:

I am writing on behalf of William C. Stumpf regarding the letter he recently received notifying him that his PUC had been suspended for failure to receive the required proof of Bodily Injury and Property Damage Liability Insurance.

Stumpf's automobile coverage is written with the New Hampshire Insurance Group under policy No. CPO 142 14 94. The policy is effective as of December 29, 1988 for a period of one year. For your convenience I am enclosing a copy of that policy.

I have contacted our underwriter at New Hampshire on a number of occasions requesting issuance of the required certificate. I have no idea what might be causing the delay in issuance but you think that after four or five requests that he might "take the hint" and issue. I have contacted our underwriter again today and you should have all required information within a few days.

I hope this information is sufficient to meet your requirements pending receipt of the certificate. If you should have any questions, please feel free to contact me.

Very truly yours,

Dear Henry:

Would you please make two small corrections on the captioned policy--one of them is our error:

1. Please correct the Named Insured to read--William C. Stumpf T/A Stumpf Moving and Storage
2. Vehicle No. 1 is a 1983 Mercedes Truck rather than a 1973. Because this vehicle is less than ten years old, would you please endorse to add comprehensive and collision with a \$1,000 deductible applying to both

Please let me know if any additional information is needed. Thanks.

Dear Mr. Machulsky:

We have been recently retained by the carrier, Stumpf Moving & Storage, as their accountants and we request an extension of time to file the 1988 Annual Report.

Our client this past year, has gone from manual accounting to in-house computer accounting. Due to inaccurate data input, any reports produced are inaccurate and cannot be relied on.

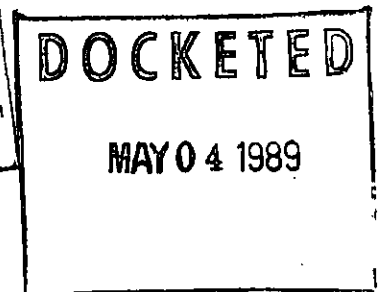

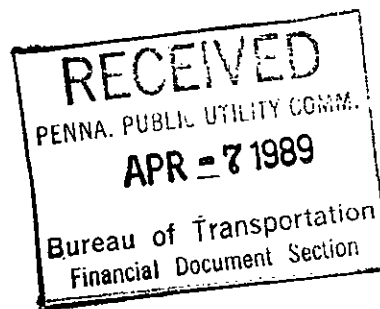

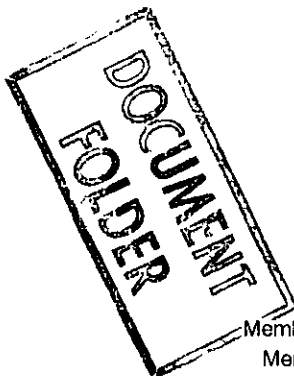

We, therefore, request an extension of time of sixty days for filing this report.

We thank you in advance for this approval.

Yours truly,

Alexander J. Strategos, PA

Dear Mr. Lesniak,

On November 17, 1989, my attorney, Alexander Jaffurs and I attended a hearing between Stumpf Moving and Storage and Mr. Robert Cord.

The process of the hearing was very upsetting and disturbing to me as we were not given the opportunity to present our side of the case.

The panel consisted of three men, two younger and one older man who acted as chairman.

Mr. Cord, the plaintiff, presented his case first. At this point, the chairman said to Mr. Jaffurs and me, " This is off the record. You do know though, that I am going to rule against you. This is a nice young couple, he reminds me of my brother-in-law, why don't you give him the money and settle this right now."

At this point my lawyer attempted to protest to no avail. Mr. Jaffurs and myself adjourned to the next room and surveyed the situation and decided to offer a settlement which ended our day in court.

I feel there was an injustice done to me and to my company. A court should not give a ruling until all facts are presented by both parties and not give a ruling based on appearance or how

young one is or how small and insignificant the court my feel
the case is.

My right to be heard and to a fair and just hearing has been
violated. This chairman is setting a bad example for his younger
colleagues.

I do not believe that I should have to pay for another hearing.
Before I pay the judgement, I would like very much to hear from
you.

If you feel that the above is the correct way for a court to be
handled, I will, with a heavy heart, pay the judgment and hope in
the future something will be done to correct the situation or
we will all be in trouble.
