Re: Viridian Energy PA LLC, Docket No. A-2009-2145794

Dear Secretary Chiavetta:

Viridian Energy PA LLC ("Viridian") was licensed as an Electric Generation Supplier ("EGS") in the captioned proceeding on February 25, 2010. Viridian is submitting this letter to comply with Section 54.34 of the regulations of the Pennsylvania Public Utility Commission (the "Commission"). Section 54.34(a) requires an EGS to inform the Commission of a material change in the information provided in the EGS's license application while the licensee is operating in the Commonwealth. Section 54.34(b) requires an EGS to notify the Commission, within thirty days, of any material changes in the EGS's organizational structure or operation.

As a result of a September 18, 2012 Exchange Transaction among Public Power, LLC, Viridian's parent, Regional Energy Holdings, Inc. ("REH"), and Crius Energy LLC ("Crius"), certain changes have occurred that may trigger the reporting requirements of Sections 54.34(a) and (b). This letter-discloses those changes and describes the Exchange Transaction in more detail.

Section 54.34(a)

Turning first to Section 54.34(a), Public Power PA notifies the Commission that its business address has changed, effective October 1, 2012, to 1055 Washington Blvd., 7th Floor, Stamford, CT 06901.

Section 54.34(b)

Turning to Section 54.34(b), Viridian's upstream organizational structure has changed. Specifically, on September 18, 2012, REH, Public Power, LLC ("Public Power") and Crius implemented an Exchange Agreement, through which each of the members holding ownership interests in Public Power and the stockholders owning shares of REH contributed a portion (approximately 75 percent) of their interests in Public Power and REH to Crius, each in exchange for 50 percent of the ownership interests in Crius. The Public Power members and the REH stockholders retained 25 percent of their respective ownership

interests in Public Power and REH. The Exchange Agreement, thus, effected a transfer of 75 percent of the ownership interests in Public Power to Crius, and the remaining 25 percent of REH is owned by the same entities that owned it prior to the Exchange Agreement. Charts illustrating the pre- and post-transaction ownership structures are attached as Attachment No. 1.

In addition, as a result of the Exchange Transaction, Viridian is affiliated, as of September 18, 2012, with the following electric and natural gas suppliers who supply electricity and/or natural gas at retail in the enumerated states:¹
