WGM Transportation, Inc. :

REPLY TO NEW MATTER

And now comes the Pennsylvania Public Utility Commission's ("Commission") *Bureau of Investigation and Enforcement ("I&E")*, and files this Reply to the New Matter of WGM Transportation, Inc. ("Respondent") pursuant to 52 Pa. Code §5.63. I&E hereby represents as follows:

18. I&E lacks sufficient knowledge to admit or deny the allegations contained in Paragraph 18. To the extent a response is necessary, these averments are denied. By way of further answer, these averments are irrelevant. Respondent's assessment is based on its reported operating revenues so that it may pay a fair share of the Commission's costs in regulating its service. The assessment is not designed to consider any financial hardships that Respondent may encounter in the operation of its business.

19. Admitted in part. It is admitted that Respondent's president answered the complaint and filed new matter. I&E lacks sufficient knowledge to admit or deny the remaining allegations in Paragraph 19. By way of further answer, in adversarial proceedings, Respondent is required to be represented by an attorney since it is a corporation pursuant to 52 Pa. Code § 1.22.
