Dear Secretary Chavetta, F-2012-2300999

I'm enclosing this letter to you letting you know I'm very upset with the decision that I'm denied. I can't afford more than \$151.00 a month payment. We are on a fixed income. I have other bills to be paid plus I have to pay for my oil heat, I have no help here what so ever. The fact here is that Met-Ed only knows how much money comes in every month, not what we pay out to survive.

My husband at this writing is hospitalized since Thurs. Sept 20, 2012 after having a stroke. I don't know if will be bringing him home or if a nursing facility will be necessary. If he doesn't come home his Social Sec. check of \$865.00 will be taken away leaving me with much less. I don't know if I will be able to cope with this. I have health issues at this time also. I fell Aug 9, 2012 and have injured my right leg. I'm on a walker at this time until I can get something done to my leg. I'm sorry I could not get 9 copies out I don't have access to a copy machine. I hope to get this resolved. Please contact me as to what help I can get, I don't know

which I would like to go!
