**BEFORE THE
PENNSYLVANIA PUBLIC UTILITY COMMISSION**

Petition of Consolidated Communications :
of Pennsylvania Company and Salsgiver : Docket No. A-
Telecom, Inc. for Approval of an Interconnection :
Agreement Under Sections 251 and 252 of :
the Telecommunications Act of 1996 :

**APPLICATION OF CONSOLIDATED COMMUNICATIONS
OF PENNSYLVANIA COMPANY AND SALSGIVER TELECOM, INC.
FOR APPROVAL OF AN INTERCONNECTION AGREEMENT**

Consolidated Communications of Pennsylvania Company (“CCPA”) hereby requests that the Pennsylvania Public Utility Commission (“Commission”) review and approve the attached agreement between CCPA and Salsgiver Telecom, Inc. (“Salsgiver”) pursuant to Sections 251 and 252 of the Telecommunications Act of 1996, 47 U.S.C. §§ 251 and 252 (the “Act”). In support of this request, CCPA states as follows:

1. The Agreement was arrived at through good faith negotiations between the parties as contemplated by Section 252 of the Act and provides for interconnection as addressed in Section 251 of the Act.

2. Pursuant to Section 252(e)(2), the Commission may only reject a negotiated agreement if it finds that (1) the agreement discriminates against another carrier, or (2) implementation of the agreement would not be consistent with the public interest, convenience and necessity.

3. CCPA will make the Agreement available to any other similarly situated telecommunications carrier operating within its incumbent service territory. Other carriers are

also free to negotiate their own terms and conditions pursuant to the applicable provisions of the Act. For this reason, the Agreement is not discriminatory.

4. In addition, implementation of the Agreement is consistent with the public interest because it will permit interconnection between CCPA and Salsgiver, promote competition and enhance CCPA's ability to provide competitive local exchange services.

5. In accordance with § 252(e)(4) of the Act, the Agreement will be deemed approved if the Commission does not act to approve or reject the Agreement within ninety (90) days from the date of this submission.

6. Copies of the Agreement are available for public inspection in CCPA's and Salsgiver's public offices.

WHEREFORE, Consolidated Communications of Pennsylvania Company respectfully requests that the Commission approve the attached Agreement under § 252(e) of the Act.

Respectfully submitted,

THOMAS, LONG, NIESEN & KENNARD

- (C) Salsgiver represents and warrants that it is a certificated Competitive Local Exchange Carrier (“CLEC”) in the Commonwealth of Pennsylvania, and that its adoption of the Terms will cover services in the Commonwealth of Pennsylvania in the serving areas in which Salsgiver is certificated.

(D) In the event that a voluntary or involuntary petition has been or is in the future filed against either party under bankruptcy or insolvency laws, or any law relating to the relief of debtors, readjustment of indebtedness, debtor reorganization or composition or extension of debt (any such proceeding, an “Insolvency Proceeding”), then: (i) all rights of the other party under such laws, including, without limitation, all rights of that party under 11 U.S.C. § 366, shall be preserved, and Salsgiver’s adoption of the MCIIm Terms shall in no way impair such rights of that party; and (ii) all rights of either party resulting from Salsgiver’s adoption of the Terms shall be subject to and modified by any Stipulations and Orders entered in the Insolvency Proceeding, including, without limitation, any Stipulation or Order providing adequate assurance of payment pursuant to 11 U.S.C. § 366. In the event that an Interconnection Agreement between CCPA and Salsgiver is currently in force in the CCPA service territory within the Commonwealth of Pennsylvania (the “Original Agreement”), Salsgiver’s adoption of the Terms (the “Amended and Restated Agreement”) shall be an amendment and restatement of, and replace in its entirety, the Original Agreement. The Amended and Restated Agreement is not intended to be, nor shall it be construed to create, a novation or accord and satisfaction with respect to the Original Agreement. All monetary obligations of the parties to one another under the Original Agreement shall remain in full force and effect and shall constitute monetary obligations of the parties under the Amended and Restated Agreement; provided, however, in the event that Salsgiver is currently a debtor in an Insolvency Proceeding, nothing contained herein shall convert any claim or debt that would otherwise constitute a pre-petition claim or debt in Salsgiver’s Insolvency Proceeding into a post-petition claim or debt.

2. Salsgiver’s adoption of the Terms shall become effective upon Commission approval of the Salsgiver adoption of the MCIIm Agreement. CCPA shall file this adoption letter with the Commission promptly upon receipt of an original of this letter countersigned by an authorized officer of Salsgiver. The term and termination provisions of the MCIIm/CCPA Agreement shall govern Salsgiver’s adoption of the Terms.

3. As the Terms are being adopted by you pursuant to your statutory rights under Section 252(i), CCPA does not provide the Terms to you as either a voluntary or negotiated agreement. The filing and performance by CCPA of the Terms does not in any way constitute a waiver by CCPA of any position as to the Terms or a portion thereof, nor does it constitute a waiver by CCPA of all rights and remedies it may have to seek review of the Terms, or to seek review in any way of any provisions included in these Terms as a result of Salsgiver’s 252(i) election.

4. Nothing herein shall be construed as or is intended to be a concession or admission by the parties that any provision in the Terms complies with the rights and duties imposed by the Act, the decisions of the FCC and the Commission, the decisions of the courts, or other law, and the parties expressly reserve the right to assert and pursue claims arising from or related to the Terms.

5. It will constitute a breach of the Interconnection Agreement and these Terms should a party operate in conflict with paragraphs 1 through 5 above, and the non-offending party reserves all rights to seek appropriate legal and/or equitable relief.

6. CCPA is a rural carrier as defined in 47 USC Sections 153 and 251(f) and does not waive any rights with respect thereto.
