**Re: Stephen Morello v. PECO Energy Company
PUC Docket No. C-2012-2329924**

Dear Mr. Morello:

Per our mediation conference call today, this letter confirms the settlement of the above-referenced Public Utility Commission (PUC) Complaint. As the parties desire to amicably resolve the dispute without the need for further litigation, PECO Energy has agreed to resolve your formal complaint as follows:

(1) PECO Energy has provided you with a detailed explanation and documentation of the power outages that occurred at your property. This correspondence confirms that the power outages were related to external forces, including downed trees/tree limbs and weather, which were outside of the control of the company. PECO Energy has implemented several measures to improve the reliability of service in your area, including an aggressive vegetation management program.

(2) In the event you experience any additional power outages, PECO Energy has provided you with the direct telephone number of Regional Manager and Engineer, Robert Crognale at (215) 956-3308, who has agreed to address any issues you may have.

This letter memorializes the entire agreement between Stephen Morello and PECO Energy Company. Any other terms or promises, written or oral, not in the body of this letter will not be a part of this settlement agreement and, therefore, will be void.

I will also forward a Certificate of Satisfaction to the PUC to inform them of our agreement. Unless you file a written objection to the PUC within ten (10) days, the Certificate of Satisfaction will sufficiently confirm to the PUC that the Complaint has been settled and the file will be closed.

If you have any questions, please do not hesitate to contact me or Teresa Ferrier at 215-841-6330.

Very truly yours,

Shawane L. Lee
