TAKE NOTICE:

That a complaint in the above entitled matter, of which the attached is a true and correct copy, has been presented and filed of record with the Pennsylvania Public Utility Commission. Section 702 of the Public Utility Code, 66 Pa. C.S. Section 702, requires the Commission to serve on each party named in a complaint a copy of the complaint and notice calling upon each party to satisfy the complaint, or to answer the same in writing within a specified time; THEREFORE,

1. You have twenty (20) days from the date on which this complaint is served to either satisfy this complaint or to file with the **Secretary of the Pennsylvania Public Utility Commission, P. O. Box 3265, Harrisburg, PA 17105-3265**, an answer (original and three copies), in writing, under oath, which, as required by Section 5.61 of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 5.61, either affirms or specifically denies the allegations in this complaint. You must also serve a copy of the answer upon the complainant. The date of service is the mailing date as indicated by the date at the top of this Notice. Section 1.56(a) of the Commission's Rules of Practice and Procedure, 52 Pa. Code Section 1.56(a).

2. If you fail to either satisfy this complaint or to file answer or other responsive pleading within twenty (20) days, you will be deemed to have admitted all the allegations in this complaint in accordance with Section 5.61 of the Commission's Rules of Administrative Practice and Procedure, 52 Pa. Code Section 5.61. In that event, the Commission may, without hearing, enter an order which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C.S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

3. If you elect to satisfy this complaint you must file, within twenty (20) days from the date on which this complaint is served, affidavits executed by each complainant that this complaint has been satisfied. Such affidavits must describe the basis on which this complaint was satisfied; any settlement agreement between the parties must be reduced to writing and attached to the affidavit. Such affidavits are to be filed with the Secretary of the Commission at the address set forth in paragraph 1. Upon receipt of affidavits of satisfaction from all complainants, this complaint may be dismissed by the Commission in accordance with Section 703(a) of the Public Utility Code, 66 Pa. C.S. Section 703(a), unless the Commission determines that such dismissal would be contrary to the public interest, in which event the Commission may direct that hearings be held upon the complaint.

4. If you file an answer which admits the allegations in this complaint, or which fails to specifically deny the allegations in this complaint, the Commission may, without hearing, enter an order which either revokes or suspends any certificate held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. The Commission is not limited to the relief sought by the complainant in paragraph 4 of the attached complaint.

5. If you file a timely answer which specifically denies the allegations in this complaint, or which raises material questions of law or fact, this matter shall be referred to the Office of Administrative Law Judge for hearing and decision. If, after hearing on the issues raised by that answer, you are found to have committed any of the violations alleged in the complaint, the Administrative Law Judge may render a decision which either revokes or suspends any certificate or permit held by you or which imposes a fine or any other appropriate penalty or remedy authorized by the Public Utility Code, 66 Pa. C. S. Section 101, et seq.; and, if you are a customer of a utility, an order may be entered which prescribes a payment schedule or which authorizes termination of utility services. In the imposition of a penalty after a hearing the Administrative Law Judge is not bound by the relief sought by the complainant in paragraph 4 of the attached complaint.

Re: Request for Blanket Extension of Time In Which To File Answers to Complaints

Dear Judge Smith:

This is to request an extension of time in which the Philadelphia Gas Works (PGW) may file Answers to formal complaints. We request that you grant to PGW an extension of the time of 30 additional days in which to file Answers in the complaints on the attached listing..

The need for this extension of time arises from the increased volume of formal complaints that you have served upon PGW in recent weeks. This increase has created a backlog of pending investigations of formal complaints and places higher demands for PGW resources. The PGW personnel who conduct investigations on formal complaint also investigate the even greater number of informal complaints now pending. As the complaint numbers increase, PGW is prevented from conducting the requisite investigation and filing an answer to formal complaints within the 20-day period as prescribed in the Commission's procedural rules.

We thank you for the blanket extension on the filing of answers on the complaints. The extension also facilitates our efforts to resolve the complaints amicably with PGW customers. If additional information is needed about this matter, please contact me at my direct-dial number above. Thank you for your assistance.
