RE: Willow Management Corp. v Philadelphia Gas Works
Docket No.: C-2011-2273241

Dear Judge Jones:

I am the attorney representing Plaintiff Willow Management Corp. in the above billing dispute matter. I have been in touch with my adversary, Laureto Farinas, and I have requested a continuance. Mr. Farinas has no objection to this continuance conditioned upon our amiability to sitting down with PGW and trying to reach an amicable resolution.

I have assured Mr. Farinas that my client is more than willing to sit down and work hard toward resolving this matter. In light of that, we respectfully request a continuance from the hearing scheduled for tomorrow, Wednesday, November 21, 2012 at 10:00 am.

I am also sending a copy of this letter to my adversary.

Respectfully submitted,

John G. Takacs, Esq.
