To whom it may concern,

We previously received notice that our PUC would be suspended if we were not in compliance because we had no insurance. The reason we have no insurance is because we are no longer in business. We were instructed to fill out the motor carrier identification report, which we did, stating the business was no longer in operation. The report was mailed from our office on October 24, 2012. Today we received notice that we were being fined for not being in compliance so we contacted the compliance office and was told that our report was not on file. We were again instructed to send a letter explaining the situation with the docket #C 2012-2332585 to get this problem taken care of. I have sent along a copy of the motor carrier identification report that we filed previously. If there is something else we need to do to get this problem resolved please notify us. We want to have this taken care of without having to pay a fine.

Thank you for your time,  
*Dawn Brooks*
