PRE-HEARING CONFERENCE MEMORANDUM**

I. HISTORY

The Community Action Association of Pennsylvania (CAAP) intervened in this matter by Petition to Intervene filed on December 6, 2012. CAAP is a statewide association representing Pennsylvania’s community action agencies that provide anti-poverty planning and community development activities for low income communities and services to individuals and families. CAAP has intervened in prior matters before the Pennsylvania Public Utility Commission for the purpose of addressing energy issues that involve its low income clients. CAAP intervened in this particular matter in large part to address the portion of the Company’s Plan that concerns low income customers.

II. ISSUES TO BE PRESENTED BY CEO

1. Whether the Company’s Plan adequately provides real, measurable and substantial energy conservation measures for its low income customers.
2. Such other additional issues as may arise during this proceeding.

III. PROPOSED SCHEDULE

CAAP has no recommended changes to the presiding ALJ’s tentative schedule.

IV. WITNESSES

CEO will present the testimony of Susan A. Moore-Wychulis, Chief Executive Officer of CAAP, to address the issues above-described. Mrs. Moore-Wychulis' contact information is:
