Dear Ms. Chiavetta:

The Maryland Public Service Commission has requested that its Staff investigate complaints filed against electric and gas supplier license applicants filed in other jurisdictions in which they already operate. Accordingly, please provide a listing of all consumer or other types of complaints filed within the last two years with the Pennsylvania Public Utility Commission against licensed supplier **Ethical Electric Benefit Co.**, along with an explanation as to the nature and allegations of the complaint and the disposition by the PUC. It is my understanding that they hold a supplier license number **A-2012-2308371**. Please send (an e-mail response is acceptable) the requested information to:
