COMPLAINANTS REQUEST FOR CONTINUANCE

Complainants Sporty Smith and Betty Ricks collectively submit the following continuance request.

Both complainants are disabled. Complainant Smith is under Dr.'s care for Multiple Sclerosis and diabetes and has various appointments for treatments and testing's in the months of January and February. Complainant Ricks is directed by her Dr. to not be out in cold weather. This is on file with previous hearings at the PUC. The months of January through March are touch and go with cold weather. A denial of the request may cause great hardship as the complainants may not be able to attend and the case may be dismissed.

REQUEST

WHEREFORE, for the reasons set forth above, Complainants Sporty Smith and Betty Ricks respectfully request that The Honorable Commission grant the continuance request and continue the hearings until any dates after April 1 2013.
