Application of Duquesne Light Company
For Approval of Restructuring Plan

DOCKETED

FINAL ORDER

BY THE COMMISSION:

On January 12, 2000 we gave tentative approval to a settlement placed before us on November 29, 1999, by Duquesne Light Company (Duquesne or Company), the Office of Consumer Advocate (OCA), and the Duquesne Industrial Intervenors (DII) (together, Joint Petitioners).¹ The Joint Petition for Settlement (Joint Petition) settled the issues raised in Duquesne Light Company's appeal of our Order of August 13, 1998. These Joint Petitioners are all parties to Duquesne's appeal before the Commonwealth Court.²

¹ Application of Duquesne Light Company For Approval of Restructuring Plan Under Section 2806 of the Public Utility Code, Docket No. R-00974104, Tentative Order, (Entered January 12, 2000).

We withheld final approval of the Joint Petition pending the filing of comments by interested parties to Duquesne's restructuring proceeding. Tentative Order at 6. Comments were to be filed no later than January 26, 2000. No comments have been filed. Therefore, given the absence of any opposition to the Joint Petition, we shall grant final approval to the proposed settlement.

Discussion

As we discussed in our Tentative Order, the proposed terms and conditions of the Joint Petition represent a comprehensive settlement which resolves all issues on appeal before Commonwealth Court arising from Duquesne's challenge of the Commission's August 13, 1998 reconsideration order regarding the Application of Duquesne Light Company For Approval of Restructuring Plan Under Section 2806 of the Public Utility Code.

The settlement terms, which go beyond the issues now pending before the Commonwealth Court, state:

1. Duquesne will withdraw its appeal of Commission's decision to set the level of energy costs in base rates at 12.8 mills/kwh. It will drop its claim for 14.7 mills/kwh and utilize 12.8 mills/kwh in its rates in accordance with the PUC's Order.
2. Duquesne will agree that it will not defer any universal service costs to its next distribution rate case. The Company will continue to implement Commission orders regarding the expansion of its CAP and LIURP programs consistent with PUC requirements.
3. The Joint Petitioners agree that Duquesne should be permitted to recover as a stranded cost its deferred fuel regulatory asset in the full

² Duquesne Light Company v. Pennsylvania Public Utility Commission, Docket No. 2566 C.D. 1998.

amount of \$25 million for the undercollection of energy costs incurred during the period commencing February 1, 1996 through the conclusion of its restructuring proceeding.

4. Duquesne, OCA and DII agree that the cap on the Company's non-generation rates will be extended by six months to December 31, 2001, for all retail customers. Under the Act, the cap would expire June 30, 2001. 66 Pa. C.S. § 2804(4). The parties to the settlement also agree that Duquesne will retain the right to file for an exception to the rate cap pursuant to 66 Pa. C.S. § 2404(4)(iii). All other parties would retain the right to oppose such a request.

Tentative Order at 4-5.

This settlement has a number of ramifications which will benefit the Company and its customers. The possibility of a rate increase from an increase in the amount of energy costs in base rates is eliminated since the level of such costs remains set at 12.8 mills/kwh. The rate cap will be extended by another six months, thus allowing customers a greater period of rate stability.

Furthermore, Duquesne will increase its universal service programs in accordance with the our order, but it will not defer the costs of these program for future recovery. Duquesne's regulatory asset claim will be settled, thus bringing certainty with respect to the conclusion of the auction of the Company's generation assets and the reconciliation of Duquesne's stranded costs with the auction proceeds. Finally, our approval of the settlement will avoid further litigation and associated costs. This is consistent with our policy which favors negotiated settlements.

Based on the merits of the Joint Petition found in our examination of that document and the absence of any opposition by parties to Duquesne's

restructuring proceeding following an opportunity to be heard we find to the Joint Petition to be in the public interest and approve the Joint Petition; **THEREFORE,**

IT IS ORDERED:

1. That in consideration of and reliance upon the representations, mutual promises and undertakings of the parties to this proposed settlement, including the express agreement of each signatory to be legally bound by its terms, the terms of the proposed settlement set forth in the Joint Petition shall be and are hereby approved as to each and every one its terms and conditions and we hereby reconsider and amend our prior orders in this proceeding as necessary to implement the terms of the settlement.

2. That Duquesne shall be permitted to recover as a stranded cost its deferred fuel regulatory asset in the amount of \$25 million which we find to be just and reasonable for the undercollection of energy costs incurred during the period commencing February 1, 1996 through the conclusion of its restructuring proceeding.

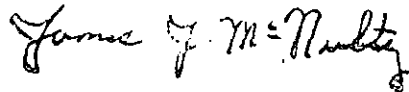

3. That the cap on Duquesne's non-generation rates will be extended by six months to December 31, 2001 for all retail customers. Duquesne shall retain the right to file for an exception to the rate cap during that period and all other parties retain the right to oppose such request.

4. That our approval of the terms and conditions set forth in the Joint Petition is expressly contingent upon and shall become final and enforceable when the appeal of Duquesne at Docket No. 2566 C.D. 1998 which is required to be

dismissed with prejudice as referred to in Section C, page 5, of the Joint Petition has been finally withdrawn, discontinued or dismissed with prejudice in accordance with the provisions of the settlement.

5. That a copy of this Order shall be served upon all parties to Duquesne Light Company's restructuring proceeding at Docket No. R-00974104.
