To whom it may concern:

We have received a letter stating that you were unable to process our Pennsylvania Form E due to the fact that you did not receive specific information from us or does not match what is filed with the state.

We were unaware that this was not taken care of. Our insurance company was to take care of it. We contacted them yesterday and everything is suppose to be sent or taken care of.

Please contact me at the above number if there are any questions or concerns.

Sincerely,

Richard L. Smith, Sr.
