RE: Ronald Fedora v. PPL Electric Utilities Corporation, Docket No. C-2011-2272188

Mediator Nurick:

The purpose of this letter is to report on the status of the above-referenced matter. On December 13, 2012, PPL Electric Utilities Corporation filed and served a letter to report on the status of this matter. Therein, the Company explained that it received a settlement proposal from Complainant Ronald Fedora, and that it sent a response to Complainant's initial settlement offer. The Company asked that Complainant reply to its counter proposal within ten (10) business days to indicate his willingness to continue settlement negotiations. As of the date of this letter, PPL Electric has not received a response from Complainant.

Based on Complainant's initial settlement offer and PPL Electric's response thereto, the Company does not believe that the Parties will reach a reasonable settlement of Complainant's concerns at this time. PPL Electric therefore respectfully requests that this matter be reassigned to the Office of Administrative Law Judge for hearings.

A copy of this letter is being served as set forth in the attached Certificate of Service. Please do not hesitate to contact me should you have any questions or concerns regarding this matter.
