In Re: C-2012-2327737

In filing this claim for mediation, the claimant requested an on site hearing. The claimant respectfully renews his request for an onsite hearing in lieu of a telephonic hearing because an on site hearing will quickly show that a movement of the gas meter by a few feet could accomplish both parties' goals without damaging beautiful irreplaceable rose bushes that have been on claimant's property for more than 30 years. This will be very easy to see in person but is much more difficult and lengthy to explain in a telephonic hearing.

Thank you for your consideration of this request.

Respectfully submitted,

Dale A. Ebling
Claimant
